# OFFICE OF FOREIGN ASSETS CONTROL

## Non-SDN Palestinian Legislative Council List

July 27, 2026

**This publication of Treasury's Office of Foreign Assets Control ("OFAC") is a reference tool providing actual notice of actions by OFAC with respect to persons that are identified as members of the Palestinian Legislative Council (PLC) who were elected on the party slate of a Foreign Terrorist Organization (FTO), Specially Designated Terrorist (SDT), or Specially Designated Global Terrorist (SDGT).**

**The latest changes may appear here prior to their publication in the Federal Register, and it is intended that users rely on changes indicated in this document. Such changes reflect official actions of OFAC, and will be reflected as soon as practicable in the Federal Register under the index heading "Foreign Assets Control." New Federal Register notices with regard to identifications made may be published at any time. Users are advised to check the Federal Register and this electronic publication routinely for additional names or other changes to the listings.**

**The PLC List is not part of the Specially Designated Nationals and Blocked Persons (SDN) List. United States financial institutions must reject transactions involving these individuals on the PLC List, provided that any such individuals are not also named on OFAC's SDN List. OFAC has created the program code [NS-PLC] for these individuals. The prefix "NS" stands for "non-SDN".**

**Persons on the PLC List whose property and interests in property are blocked will also appear on OFAC's SDN list with program tags for relevant blocking authorities.**
