

MEMORANDUM OF UNDERSTANDING

U.S. Department of the Treasury, Office of Foreign Assets Control Illinois Department of Financial and Professional Regulation

I. Background

A. Purpose

This Memorandum of Understanding (“MOU”) sets forth procedures for the exchange of specified information between the Illinois Department of Financial and Professional Regulation (“State Agency”) and the Office of Foreign Assets Control (“OFAC”), an office within the U.S. Department of the Treasury (collectively, the “Agencies”).

State Agency has examination and enforcement authority for the financial condition, safe and sound operation, and compliance with laws and regulations of the financial institutions it supervises. Under delegated authority from the Secretary of the Treasury, OFAC furthers U.S. foreign policy and national security goals by administering and enforcing economic and trade sanctions against targeted foreign countries, groups, and persons subject to 31 C.F.R. Ch. V, Office of Foreign Assets Control Regulations.¹

Information to be shared under this MOU includes information about OFAC’s administration and enforcement of economic sanctions, information about compliance with OFAC requirements by financial institutions supervised by State Agency, and to the extent permitted by law, including the Right to Financial Privacy Act (12 U.S.C. 3401, *et seq.*), information about possible violations of OFAC sanctions by financial institutions supervised by State Agency.

The sharing of information under this MOU is intended to help OFAC in fulfilling its role as administrator and enforcer of economic sanctions and to assist State Agency in fulfilling its roles as financial institution supervisors.

B. Assessment of MOU Operation

The Agencies shall meet, as necessary, to discuss the operation of the MOU and to identify any issues or adjustments that may be required. During such meetings, OFAC will provide an update on how the information provided by State Agency under this MOU has been used or applied by OFAC. The Agencies will also evaluate the effectiveness of the information sharing in meeting the goals outlined above.

B. Other Examination Findings.
