Weapons of Mass Destruction Proliferators Sanctions Regulations, 31 C.F.R. Part 544

### General License No. 2

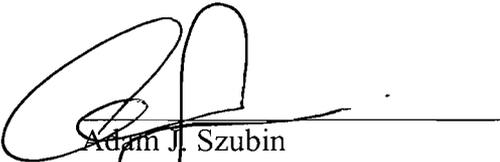

#### **Specified transactions involving certain blocked property authorized.**

(a) Except as specified below, effective December 21, 2010, all transactions are authorized related to the arrest, detention, and judicial sale of the MV Dandle (a.k.a. Twelfth Ocean, IMO No. 9209348), and the MV Decretive (a.k.a. Sixth Ocean, IMO No. 9349679), which were identified as blocked property on September 10, 2008, under the names Twelfth Ocean and Sixth Ocean, respectively (the "Vessels"), pursuant to Executive Order 13382 of June 28, 2005 (70 FR 38567, July 1, 2005) ("E.O. 13382"). Such transactions include, but are not limited to, bidding on the purchase of the vessels; paying deposits; providing financing, insurance, or funding in connection with the purchase; and, in furtherance of the arrest, detention, and judicial sale of the Vessels, providing vessel management services; providing port agency services; purchasing of bunkers; repairing or modifying the Vessels for commercial use; providing crewing; and hiring surveyors to inspect the vessels. This authorization expires at 11:59 p.m. eastern standard time, January 31, 2012.

(b) Except as authorized in paragraph (a), this general license does not authorize any provision of services, or any transfer of funds or other property, directly or indirectly, that would otherwise be prohibited by 31 C.F.R. Chapter V, including to any entity or individual whose property and interests in property are blocked pursuant to any Executive order, statute, or 31 C.F.R. Chapter V.

(c) Unless otherwise authorized by the Office of Foreign Assets Control (“OFAC”), all property and interests in property related to the Vessels that were previously blocked pursuant to E.O. 13382 and/or the Weapons of Mass Destruction Proliferators Sanctions Regulations (the “WMDPSR”), 31 C.F.R. Part 544, remain blocked.

**Note to General License No. 2:** If the Vessels are sold pursuant to judicial sale, the purchaser of the Vessels may provide OFAC with evidence demonstrating that the basis for the blocking is no longer applicable in order to expedite the removal of the Vessels from OFAC’s Specially Designated Nationals and Blocked Persons List (“SDN List”). Please see § 544.403 of the WMDPSR regarding licensed transfers of property away from persons whose property and interests in property are blocked, and 31 C.F.R. § 501.807 for procedures governing removal of names from OFAC’s SDN List. Recommended documentation to be provided to OFAC to expedite removal from the SDN List includes: (1) documentation demonstrating completion of the vessel sale, such as a bill of sale or other evidence provided by a sheriff or court; (2) documentation demonstrating the source of funds for the vessel purchase, such as evidence of any financing associated with purchasing the vessel and the parties associated with such financing; (3) corporate and other documentation to substantiate the identity of the buyer; and, if applicable, (4) information or documentation regarding plans to lease the vessel to any party other than the buyer.
