

National Environmental Policy Act

This rule does not constitute a major Federal action significantly affecting the quality of the human environment. We are not required to provide a detailed statement under the National Environmental Policy Act of 1969 (NEPA) because this rule qualifies for a categorical exclusion under the U.S. Department of the Interior Departmental Manual, part 516, section 13.5(B)(29).

National Technology Transfer and Advancement Act

Section 12(d) of the National Technology Transfer and Advancement Act (15 U.S.C. 3701 *et seq.*) directs OSMRE to use voluntary consensus standards in its regulatory activities unless to do so would be inconsistent with applicable law or otherwise impractical. OMB Circular A-119 at p. 14. This action is not subject to the requirements of section 12(d) of the NTTAA because application of those requirements would be inconsistent with SMCRA.

Paperwork Reduction Act

This rule does not include requests and requirements of an individual, partnership, or corporation to obtain information and report it to a Federal agency. As this rule does not contain information collection requirements, a submission to the Office of Management and Budget under the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*) is not required.

Regulatory Flexibility Act

This rule will not have a significant economic impact on a substantial number of small entities under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*). The State submittal, which is the subject of this rule, is based upon corresponding Federal regulations for which an economic analysis was prepared, and certification made that such regulations would not have a significant economic effect upon a substantial number of small entities. In making the determination as to whether this rule would have a significant economic impact, the Department relied upon the data and assumptions for the corresponding Federal regulations.

Small Business Regulatory Enforcement Fairness Act

This rule is not a major rule under 5 U.S.C. 804(2), the Small Business Regulatory Enforcement Fairness Act. This rule: (a) Does not have an annual effect on the economy of \$100 million; (b) will not cause a major increase in costs or prices for consumers, individual industries, Federal, State, or local government agencies, or geographic regions; and (c) does not have significant adverse effects on competition, employment, investment, productivity, innovation, or the ability of U.S.-based enterprises to compete with foreign-based enterprises. This determination is based on an analysis of the corresponding Federal regulations, which were determined not to constitute a major rule.

Unfunded Mandates Reform Act

This rule does not impose an unfunded mandate on State, local, or Tribal governments, or the private sector of more than \$100 million per year. The rule does not have a significant or unique effect on State, local, or Tribal governments or the private sector. This determination is based on an analysis of the corresponding Federal regulations, which were determined not to impose an unfunded mandate. Therefore, a statement containing the information required by the Unfunded Mandates Reform Act (2 U.S.C. 1531 *et seq.*) is not required.

Background

On March 8, 2015, the President, invoking the authority of, *inter alia*, the International Emergency Economic Powers Act (50 U.S.C. 1701–1706), issued Executive Order (E.O.) 13692, “Blocking Property and Suspending Entry of Persons Contributing to the Situation in Venezuela” (80 FR 12747, March 11, 2015). In E.O. 13692, the President found that the situation in Venezuela, including the Government of Venezuela's erosion of human rights guarantees, persecution of political opponents, curtailment of press freedoms, use of violence and human rights violations and abuses in response to antigovernment protests, and arbitrary arrest and detention of antigovernment protestors, as well as the exacerbating presence of significant public corruption, constitutes an unusual and extraordinary threat to the national security and foreign policy of the United States, and declared a national emergency to deal with that threat.

The President issued six additional E.O.s pursuant to the national emergency declared in E.O. 13692: E.O. 13808 of August 24, 2017, “Imposing Additional Sanctions With Respect to the Situation in Venezuela” (82 FR 41155, August 29, 2017); E.O. 13827 of March 19, 2018, “Taking Additional Steps to Address the Situation in Venezuela” (83 FR 12469, March 21, 2018); E.O. 13835 of May 21, 2018, “Prohibiting Certain Additional Transactions With Respect to Venezuela” (83 FR 24001, May 24, 2018) (E.O. 13835); E.O. 13850 of November 1, 2018, “Blocking Property of Additional Persons Contributing to the Situation in Venezuela” (83 FR 55243, November 2, 2018); E.O. 13857 of January 25, 2019, “Taking Additional Steps To Address the National Emergency With Respect to Venezuela” (84 FR 509, January 30, 2019); and E.O. 13884 of August 5, 2019, “Blocking Property of the Government of Venezuela” (84 FR 38843, August 7, 2019).

OFAC, in consultation with the Department of State, issued GL 8 on January 28, 2019, pursuant to E.O. 13850, as amended, to authorize certain entities and their subsidiaries to engage in transactions and activities ordinarily incident and necessary to operations in Venezuela involving *Petróleos de*

Venezuela, S.A. (PdVSA) or any entity in which PdVSA owns, directly or indirectly, a 50 percent or greater interest, that were otherwise prohibited by E.O. 13850, through 12:01 a.m. eastern daylight time, July 27, 2019. Subsequently, OFAC issued eight further iterations of GL 8, which extended the period and modified the scope of the authorization.

On June 6, 2019, OFAC issued GL 8A, which replaced and superseded GL 8; on July 26, 2019, OFAC issued GL 8B, which replaced and superseded GL 8A; on August 5, 2019, OFAC issued GL 8C, which replaced and superseded GL 8B; on October 21, 2019, OFAC issued GL 8D, which replaced and superseded GL 8C; on January 17, 2020, OFAC issued GL 8E, which replaced and superseded GL 8D; on April 21, 2020, OFAC issued GL 8F, which replaced and superseded GL 8E; on November 17, 2020, OFAC issued GL 8G, which replaced and superseded GL 8F; and on June 1, 2021, OFAC issued GL 8H, which replaced and superseded GL 8G. GL 8H expires on December 1, 2021. The texts of the following nine Venezuela GLs are provided below: GLs 8, 8A, 8B, 8C, 8D, 8E, 8F, 8G, and 8H.

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good

cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable. The event already has established dates in 33 CFR 100.704, Table to § 100.704, Line No. 9, and typically takes place one Saturday or Sunday during the last two weeks of September or the first two weeks of October. However, this year the event will take place on October 31, 2021. The Coast Guard must establish a temporary final rule for this year's event because a Notice of Enforcement cannot be used to enforce a rule this far outside the dates approved in the **Federal Register**. We must establish this special local regulation by October 31, 2021 in order to protect the public from the hazards associated with the Swim Around Charleston event.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be contrary to the public interest because the potential safety hazards associated with the Swim Around Charleston taking place on October 31, 2021.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70041. The Captain of the Port Charleston (COTP) has determined that potential hazards associated with the Swim Around Charleston event presents a safety concern for anyone in the vicinity of the regulated area during the event. This rule is needed to protect participants, spectators, and the general public in the navigable waters within the regulated area during the Swim Around Charleston event.

IV. Discussion of the Rule

This rule establishes a special local regulation from 10:00 a.m. until 4:00 p.m., on October 31, 2021. The special local regulation will cover certain navigable waters on the Wando River, Cooper River, Charleston Harbor, and Ashley River in Charleston, South Carolina beginning at Remleys Point in Mt. Pleasant, proceeding across Charleston Harbor continuing up the Ashley River to its conclusion just before the Westmoreland Bridge, I-526. The duration of the special local regulation is intended to ensure the safety of participants, spectators, vessels and these navigable waters before, during, and after the scheduled event.
