BUREAU OF CONSUMER FINANCIAL PROTECTION

12 CFR Part 1003

[Docket No. CFPB–2020–0014]

RIN 3170–AB01

Facilitating the LIBOR Transition (Regulation Z); Correction

AGENCY: Bureau of Consumer Financial Protection.

ACTION: Final rule; correction.

SUMMARY: On December 8, 2021, the Consumer Financial Protection Bureau (Bureau) published the “Facilitating the LIBOR Transition (Regulation Z)” final rule (LIBOR Transition Final Rule) in the **Federal Register**. The

SUPPLEMENTARY INFORMATION in the LIBOR Transition Final Rule contained two clerical errors regarding a hyperlink to documents referenced in each footnote. This document corrects those errors.

DATES: This correction is effective on February 16, 2022.

FOR FURTHER INFORMATION CONTACT: Krista Ayoub, Kristen Phinnessee, or Lanique Eubanks, Senior Counsels, Office of Regulations, at 202–435–7700. If you require this document in an alternative electronic format, please contact CFPB_Accessibility@cfpb.gov.

SUPPLEMENTARY INFORMATION: On December 8, 2021, the Bureau published in the **Federal Register** the “Facilitating the LIBOR Transition (Regulation Z)” final rule (LIBOR Transition Final Rule), which amends various provisions in Regulation Z in anticipation of the sunset of LIBOR.¹ Two footnotes in the **SUPPLEMENTARY INFORMATION** contained clerical errors regarding a hyperlink to materials referenced in each footnote, one omitting the hyperlink and the other providing the incorrect hyperlink and omitting the document title.

¹ Facilitating the LIBOR Transition (Regulation Z), 86 FR 69716 (Dec. 8, 2021).

Specifically, in footnote 1 in the second column of page 69716 and in footnote 10 in the third column of page 69718 of volume 86 of the **Federal Register**:

- The bracketed word “[placeholder]” should read “at <https://www.consumerfinance.gov/compliance/compliance-resources/other-applicable-requirements/libor-index-transition/>”;
- The phrase “Bureau of Consumer Fin. Prot., [Title] <https://www.consumerfinance.gov/policy-compliance/guidance/other-applicable-requirements/libortransition/>” should read “Bureau of Consumer Fin. Prot., *LIBOR Index Transition Compliance Resources*, <https://www.consumerfinance.gov/compliance/compliance-resources/other-applicable-requirements/libor-index-transition/>.”

These changes make it so that the referenced hyperlink is now accessible in the **Federal Register**.

Correction

Accordingly, the Bureau makes the following corrections to FR Doc. 2021–25825 published on December 8, 2021 (86 FR 69716):

1. On page 69716, in the second column, revise footnote 1 to read “When amending commentary, the Office of the Federal Register requires reprinting of certain subsections being amended in their entirety rather than providing more targeted amendatory instructions. The sections of regulatory text and commentary included in this document show the language of those sections. In addition, the Bureau is releasing an unofficial, informal redline to assist industry and other stakeholders in reviewing the changes made in this final rule to the regulatory text and commentary of Regulation Z. This redline can be found on the Bureau’s website, at <https://www.consumerfinance.gov/compliance/compliance-resources/other-applicable-requirements/libor-index-transition/>. If any conflicts exist between the redline and the text of Regulation Z, its commentary, or this final rule, the documents published in the **Federal Register** are the controlling documents.”

2. On page 69718, in the third column, revise footnote 10 to read “At the same time as issuing the proposal, the Bureau issued separate written guidance in the form of Frequently Asked Questions (FAQs) for creditors and card issuers to use as they transition away from using LIBOR indices. These

FAQs addressed regulatory questions where the existing rule was clear on the requirements and already provides necessary alternatives for the LIBOR transition. The FAQs, as well as additional written guidance materials including an executive summary of this final rule, are available here: Bureau of Consumer Fin. Prot., *LIBOR Index Transition Compliance Resources*, <https://www.consumerfinance.gov/compliance/compliance-resources/other-applicable-requirements/libor-index-transition/>.”

Director, Bureau of Consumer Financial Protection.

31 CFR Part 544

Weapons of Mass Destruction Proliferators Sanctions Regulations

AGENCY: Office of Foreign Assets Control, Treasury.

ACTION: Final rule.

SUMMARY: The Department of the Treasury’s Office of Foreign Assets Control (OFAC) is amending the Weapons of Mass Destruction Proliferators Sanctions Regulations to revise an existing general license authorizing the provision of certain legal services and add a general license authorizing payments for legal services from funds originating outside the United States.

DATES: This rule is effective February 16, 2022.

FOR FURTHER INFORMATION CONTACT: OFAC: Assistant Director for Licensing, 202–622–2480; Assistant Director for Regulatory Affairs, 202–622–4855; or Assistant Director for Sanctions Compliance & Evaluation, 202–622–2490.

SUPPLEMENTARY INFORMATION:

Electronic Availability

This document and additional information concerning OFAC are available on OFAC’s website: www.treasury.gov/ofac.

Background

On April 13, 2009, OFAC issued the Weapons of Mass Destruction Proliferators Sanctions Regulations, 31 CFR part 544 (74 FR 16771, April 13, 2009) (the “Regulations”), to implement Executive Order (E.O.) 13382 of June 28, 2005, “Blocking Property of Weapons of Mass Destruction Proliferators and Their Supporters” (70 FR 38567, July 1, 2005). OFAC is amending the Regulations with respect to payments for legal services as set forth in more detail below.

Section 544.507 of the Regulations authorizes U.S. persons to provide certain legal services to or on behalf of persons whose property and interests in property are blocked pursuant to § 544.201(a) provided that all receipts of payment of professional fees and reimbursement of incurred expenses must be specifically licensed. OFAC is revising § 544.507 to remove the requirement that all receipts of payment of professional fees and reimbursement of incurred expenses must only be specifically licensed and to otherwise update language throughout the section so that § 544.507 conforms with the legal services general license in other sanctions programs. OFAC is also redesignating § 544.508 as § 544.509 and adding a new general license at § 544.508 authorizing a permissible payment mechanism for legal services without the need for a specific license. Specifically, new § 544.508 authorizes payments from funds originating outside the United States and that do not come from a U.S. person or any person whose property and interests in property are blocked, other than the person on whose behalf the authorized legal services are provided. This payment mechanism has previously been incorporated into the regulations for a number of other sanctions programs.

Public Participation

Because the Regulations involve a foreign affairs function, the provisions of E.O. 12866 of September 30, 1993, “Regulatory Planning and Review” (58 FR 51735, October 4, 1993), and the Administrative Procedure Act (5 U.S.C. 553) requiring notice of proposed rulemaking, opportunity for public participation, and delay in effective date are inapplicable. Because no notice of proposed rulemaking is required for this rule, the Regulatory Flexibility Act (5 U.S.C. 601–612) does not apply.

Paperwork Reduction Act

The collections of information related to the Regulations are contained in 31 CFR part 501 (the “Reporting,

Procedures and Penalties Regulations”). Pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3507), those collections of information have been approved by the Office of Management and Budget under control number 1505–0164. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid control number.

List of Subjects in 31 CFR Part 544

Administrative practice and procedure, Banks, Banking, Blocking of assets, Credit, Foreign trade, Legal services, Penalties, Proliferation, Reporting and recordkeeping requirements, Sanctions, Securities, Services, Weapons of mass destruction.

For the reasons set forth in the preamble, OFAC amends 31 CFR part 544 as follows:

PART 544—WEAPONS OF MASS DESTRUCTION PROLIFERATORS SANCTIONS REGULATIONS

■ 1. The authority citation for part 544 continues to read as follows:

Authority: 3 U.S.C. 301; 31 U.S.C. 321(b); 50 U.S.C. 1601–1651, 1701–1706; Pub. L. 101–410, 104 Stat. 890, as amended (28 U.S.C. 2461 note); E.O. 12938, 59 FR 59099, 3 CFR, 1994 Comp., p. 950; E.O. 13094, 63 FR 40803, 3 CFR, 1998 Comp., p. 200; E.O. 13382, 70 FR 38567, 3 CFR, 2005 Comp., p. 170.

Subpart E—Licenses, Authorizations, and Statements of Licensing Policy

■ 2. Revise § 544.507 to read as follows:

§ 544.507 Provision of certain legal services.

(a) The provision of the following legal services to or on behalf of persons whose property and interests in property are blocked pursuant to § 544.201(a) is authorized, provided that any receipt of payment of professional fees and reimbursement of incurred expenses must be authorized pursuant to § 544.508, which authorizes certain payments for legal services from funds originating outside the United States; via specific license; or otherwise pursuant to this part:

(1) Provision of legal advice and counseling on the requirements of and compliance with the laws of the United States or any jurisdiction within the United States, provided that such advice and counseling are not provided to facilitate transactions in violation of this part;

(2) Representation of persons named as defendants in or otherwise made parties to legal, arbitration, or

administrative proceedings before any U.S. Federal, state, or local court or agency;

(3) Initiation and conduct of legal, arbitration, or administrative proceedings before any U.S. Federal, state, or local court or agency;

(4) Representation of persons before any U.S. Federal, state, or local court or agency with respect to the imposition, administration, or enforcement of U.S. sanctions against such persons; and

(5) Provision of legal services in any other context in which prevailing U.S. law requires access to legal counsel at public expense.

(b) The provision of any other legal services to or on behalf of persons whose property and interests in property are blocked pursuant to § 544.201(a), not otherwise authorized in this part, requires the issuance of a specific license.

(c) U.S. persons do not need to obtain specific authorization to provide related services, such as making filings and providing other administrative services, that are ordinarily incident to the provision of services authorized by paragraph (a) of this section. Additionally, U.S. persons who provide services authorized by paragraph (a) of this section do not need to obtain specific authorization to contract for related services that are ordinarily incident to the provision of those legal services, such as those provided by private investigators or expert witnesses, or to pay for such services. See § 544.404.

(d) Entry into a settlement agreement or the enforcement of any lien, judgment, arbitral award, decree, or other order through execution, garnishment, or other judicial process purporting to transfer or otherwise alter or affect property or interests in property blocked pursuant to § 544.201(a) is prohibited unless licensed pursuant to this part.

Note 1 to § 544.507. Pursuant to part 501, subpart E, of this chapter, U.S. persons seeking administrative reconsideration or judicial review of their designation or the blocking of their property and interests in property may apply for a specific license from the Office of Foreign Assets Control (OFAC) to authorize the release of certain blocked funds for the payment of professional fees and reimbursement of incurred expenses for the provision of such legal services where alternative funding sources are not available.

§ 544.508 [Redesignated as § 544.509]

■ 3. Redesignate § 544.508 as § 544.509.

■ 4. Add new § 544.508 to subpart E to read as follows:

§ 544.508 Payments for legal services from funds originating outside the United States.

(a) *Professional fees and incurred expenses.* (1) Receipt of payment of professional fees and reimbursement of incurred expenses for the provision of legal services authorized pursuant to § 544.507(a) to or on behalf of any person whose property and interests in property are blocked pursuant to § 544.201(a) is authorized from funds originating outside the United States, provided that the funds do not originate from:

(i) A source within the United States;

(ii) Any source, wherever located, within the possession or control of a U.S. person; or

(iii) Any individual or entity, other than the person on whose behalf the legal services authorized pursuant to § 544.507(a) are to be provided, whose property and interests in property are blocked pursuant to any part of this chapter or any Executive order or statute.

(2) Nothing in paragraph (a) of this section authorizes payments for legal services using funds in which any other person whose property and interests in property are blocked pursuant to § 544.201(a), any other part of this chapter, or any Executive order or statute has an interest.

(b) *Reports.* (1) U.S. persons who receive payments pursuant to paragraph (a) of this section must submit annual reports no later than 30 days following the end of the calendar year during which the payments were received providing information on the funds received. Such reports shall specify:

Background

On November 12, 2020, the President, invoking the authority of, *inter alia*, the International Emergency Economic Powers Act (50 U.S.C. 1701-1706) (IEEPA), issued Executive Order (E.O.) 13959, "Addressing the Threat From Securities Investments That Finance Communist Chinese Military Companies" (85 FR 73185, November 17, 2020).

In E.O. 13959, the President found, among other things, that the People's Republic of China (PRC) is increasingly exploiting United States capital to

resource and to enable the development and modernization of its military, intelligence, and other security apparatuses, which continues to allow the PRC to directly threaten the United States homeland and United States forces overseas, including by developing and deploying weapons of mass destruction, advanced conventional weapons, and malicious cyber-enabled actions against the United States and its people, and that key to the development of the PRC's military, intelligence, and other security apparatuses is the country's large, ostensibly private economy. The President therefore found that the PRC's military-industrial complex, by directly supporting the efforts of the PRC's military, intelligence, and other security apparatuses, constitutes an unusual and extraordinary threat, which has its source in substantial part outside the United States, to the national security, foreign policy, and economy of the United States and declared a national emergency with respect to that threat.

On January 13, 2021, the President issued E.O. 13974, "Amending Executive Order 13959—Addressing the Threat From Securities Investments That Finance Communist Chinese Military Companies" (86 FR 4875, January 19, 2021), which amended E.O. 13959. Further, on June 3, 2021, the President issued E.O. 14032, "Addressing the Threat From Securities Investments That Finance Certain Companies of the People's Republic of China" (86 FR 30145, June 7, 2021), which amended E.O. 13959 and revoked E.O. 13974 in its entirety.

In E.O. 14032, the President found that additional steps are necessary to address the national emergency declared in E.O. 13959, including the threat posed by the military-industrial complex of the PRC and its involvement in military, intelligence, and security research and development programs, and weapons and related equipment production under the PRC's Military-Civil Fusion strategy. In addition, he found that the use of Chinese surveillance technology outside the PRC and the development or use of Chinese surveillance technology to facilitate repression or serious human rights abuse constitute unusual and extraordinary threats, which have their source in whole or substantial part outside the United States, to the national security, foreign policy, and economy of the United States and expanded the scope of the national emergency declared in E.O. 13959 to address those threats.
