Background

On May 8, 2014, OFAC published the Ukraine Related Sanctions Regulations, 31 CFR part 589 (79 FR 26365, May 8, 2014), to implement Executive Order (E.O.) 13660 of March 6, 2014, "Blocking Property of Certain Persons Contributing to the Situation in

Ukraine" (79 FR 13493, March 10, 2014); E.O. 13661 of March 16, 2014, "Blocking Property of Additional Persons Contributing to the Situation in Ukraine" (79 FR 15535, March 19, 2014); and E.O. 13662 of March 20, 2014, "Blocking Property of Additional Persons Contributing to the Situation in Ukraine" (79 FR 16169, March 24, 2014). The Ukraine Related Sanctions Regulations were initially issued in abbreviated form to provide immediate guidance to the public. OFAC is changing the heading of the Ukraine Related Sanctions Regulations to the Ukraine-/Russia-Related Sanctions Regulations (the "Regulations") and reissuing the Regulations as a more comprehensive set of regulations that includes additional interpretive guidance and definitions, general licenses, and other regulatory provisions that will provide further guidance to the public.

This rule implements E.O. 13685 of December 19, 2014 ("Blocking Property of Certain Persons and Prohibiting Certain Transactions with Respect to the Crimea Region of Ukraine") (79 FR 77357, December 24, 2014), provisions of the Ukraine Freedom Support Act of 2014, as amended (22 U.S.C. 8921-8930) (UFSA), and the Support for the Sovereignty, Integrity, Democracy, and Economic Stability of Ukraine Act of 2014, as amended (22 U.S.C. 8901-8910) (SSIDES), and sections of title II of the Countering America's Adversaries Through Sanctions Act (Pub. L. 115-44, 131 Stat. 886 (codified in scattered sections of 22 U.S.C.)) (CAATSA). In addition, this rule incorporates four directives issued pursuant to E.O. 13662 regarding sectoral sanctions and six new general licenses that have until now appeared only on OFAC's website, and adds seven new general licenses.

Because of the number of regulatory sections being updated or added, OFAC is reissuing the Regulations in their entirety.

Executive Orders

E.O. 13660. On March 6, 2014, the President, invoking the authority of, *inter alia*, the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*) (IEEPA), issued E.O. 13660. In E.O. 13660, the President determined that the actions and policies of persons, including persons who have asserted governmental authority in the Crimean region without the authorization of the Government of Ukraine, that undermine democratic processes and institutions in Ukraine; threaten its peace, security, stability, sovereignty, and territorial integrity; and contribute to the misappropriation of its assets, constitute

an unusual and extraordinary threat to the national security and foreign policy of the United States, and declared a national emergency to deal with that threat.

Section 1(a) of E.O. 13660 blocks, with certain exceptions, all property and interests in property that are in the United States, that come within the United States, or that are or come within the possession or control of any U.S. person, of any person determined by the Secretary of the Treasury, in consultation with the Secretary of State to, among other things, be responsible for or complicit in actions or policies that undermine democratic processes or institutions in Ukraine or threaten the peace, security, stability, sovereignty, or territorial integrity of Ukraine.

E.O. 13661. On March 16, 2014, the President, invoking the authority of, *inter alia*, IEEPA, issued E.O. 13661. In E.O. 13661, the President expanded the scope of the national emergency declared in E.O. 13660, finding that the actions and policies of the Government of the Russian Federation with respect to Ukraine—including the recent deployment of Russian Federation military forces in the Crimea region of Ukraine—undermine democratic processes and institutions in Ukraine; threaten its peace, security, stability, sovereignty, and territorial integrity; and contribute to the misappropriation of its assets, and thereby constitute an unusual and extraordinary threat to the national security and foreign policy of the United States. Section 1(a) of E.O. 13661 blocks, with certain exceptions, all property and interests in property that are in the United States, that come within the United States, or that are or come within the possession or control of any United States person, of: (i) The persons listed in the Annex to E.O. 13661, and (ii) persons determined by the Secretary of the Treasury, in consultation with the Secretary of State to, among other things, be an official of the Government of the Russian Federation or operate in the arms or related materiel sector in the Russian Federation.

E.O. 13662. On March 20, 2014, the President, invoking the authority of, *inter alia*, IEEPA, issued E.O. 13662. In E.O. 13662, the President expanded the scope of the national emergency declared in E.O. 13660 and expanded by E.O. 13661, finding that the actions and policies of the Government of the Russian Federation, including its purported annexation of Crimea and its use of force in Ukraine, continue to undermine democratic processes and institutions in Ukraine; threaten its peace, security, stability, sovereignty,

and territorial integrity; and contribute to the misappropriation of its assets, and thereby constitute an unusual and extraordinary threat to the national security and foreign policy of the United States.

Section 1(a) of E.O. 13662 blocks, with certain exceptions, all property and interests in property that are in the United States, that come within the United States, or that are or come within the possession or control of any United States person, of any person determined by the Secretary of the Treasury, in consultation with the Secretary of State to, among other things, operate in such sectors of the Russian Federation economy as may be determined by the Secretary of the Treasury, in consultation with the Secretary of State, such as financial services, energy, metals and mining, engineering, and defense and related materiel.

E.O. 13685. On December 19, 2014, the President, invoking the authority of, *inter alia*, IEEPA, issued E.O. 13685 (“Blocking Property of Certain Persons and Prohibiting Certain Transactions With Respect to the Crimea Region of Ukraine”). In E.O. 13685, the President took additional steps to address the Russian occupation of the Crimea region of Ukraine, and with respect to the national emergency declared in E.O. 13660 and expanded by E.O.s 13661 and 13662.

Section 1(a) of E.O. 13685 prohibits, among other things, new investment in the Crimea region of Ukraine by a United States person, and the importation into, or exportation from, the United States, directly or indirectly, of any goods, services, or technology from or to the Crimea region of Ukraine. Section 2(a) of E.O. 13685 blocks, with certain exceptions, all property and interests in property that are in the United States, that come within the United States, or that are or come within the possession or control of any United States person, of any person determined by the Secretary of the Treasury, in consultation with the Secretary of State to meet certain criteria.

Other E.O. provisions. In section 3 of E.O.s 13660, 13661, and 13662, and section 4 of E.O. 13685, the President determined that the making of donations of certain articles, such as food, clothing, and medicine, intended to be used to relieve human suffering, as specified in section 203(b)(2) of IEEPA (50 U.S.C. 1702(b)(2)), by, to, or for the benefit of any person whose property and interests in property are blocked pursuant to section 1 of E.O.s 13660, 13661, or 13662, or section 2 of E.O. 13685, respectively, would seriously impair the President’s ability to deal

with the national emergency declared in E.O. 13660 and expanded by E.O.s 13661 and 13662. The President therefore prohibited the donation of such items except to the extent provided by statutes, or in regulations, orders, directives or licenses that may be issued pursuant to E.O.s 13660, 13661, 13662, and 13685 respectively.

Section 4 of E.O.s 13660, 13661, and 13662, and section 5 of E.O. 13685 provide that the prohibition on any transaction or dealing in blocked property or interests in property includes the making of any contribution or provision of funds, goods, or services by, to, or for the benefit of any person whose property and interests in property are blocked pursuant to E.O. 13660, E.O. 13661, E.O. 13662, or E.O. 13685 (collectively, “the Ukraine-/Russia-related Executive Orders”), respectively, and the receipt of any contribution or provision of funds, goods, or services from any such person.

Section 5 of E.O.s 13660, 13661, and 13662, and section 6 of E.O. 13685 prohibit any transaction by a U.S. person or within the United States that evades or avoids, has the purpose of evading or avoiding, or attempts to violate any of the prohibitions set forth in the Ukraine-/Russia-related Executive Orders, respectively, as well as any conspiracy formed to violate such prohibitions.

Sections 8 of E.O.s 13660, 13661, and 13662, and section 10 of E.O. 13685 authorize the Secretary of the Treasury, in consultation with the Secretary of State, to take such actions, including the promulgation of rules and regulations, and to employ all powers granted to the President by IEEPA, as may be necessary to carry out the purposes of the Ukraine-/Russia-related Executive Orders, and also provide that the Secretary of the Treasury may redelegate any of these functions to other officers and agencies of the U.S. Government. In furtherance of the Ukraine-/Russia-related Executive Orders, among other authorities, OFAC is promulgating the Regulations.

Sectoral determinations and directives issued pursuant to E.O. 13662. Section 1(a)(i) of E.O. 13662 blocks all property and interests in property of any person determined by the Secretary of the Treasury, in consultation with the Secretary of State, to operate in certain sectors of the Russian Federation economy, such as financial services, energy, metals and mining, engineering, and defense and related materiel. Pursuant to this provision, on July 16, 2014, the Secretary of the Treasury, in consultation with the Secretary of State,

determined that section 1(a)(i) of E.O. 13662 shall apply to the financial services and energy sectors of the Russian Federation economy. On September 12, 2014, the Secretary of the Treasury, in consultation with the Secretary of State, determined that section 1(a)(i) of E.O. 13662 shall apply to the defense and related materiel sector of the Russian Federation economy (79 FR 63021, October 21, 2014).

Effective August 2, 2017, section 223(a) of CAATSA modified the implementation of section 1(a) of E.O. 13662 by providing that the Secretary of the Treasury may determine that a person meets one or more of the criteria in section 1(a) of E.O. 13662 if that person is a state-owned entity operating in the railway or metals and mining sector of the economy of the Russian Federation.

To further implement the Secretary’s determinations under section 1(a)(i) of E.O. 13662, OFAC issued four directives prohibiting specified activities by a U.S. person or within the United States pursuant to sections 1(a)(i), 1(b), and 8 of E.O. 13662 and § 589.802. As described below, the directives have been amended several times. The full text of the current directives that are being incorporated into the Regulations can be found on the Ukraine-/Russia-Related Sanctions page on OFAC’s website: www.treas.gov/ofac. The names of persons determined to be subject to one or more directives issued under E.O. 13662 are published on OFAC’s Sectoral Sanctions Identifications List (SSI List), which can also be found on the Ukraine-/Russia-Related Sanctions page on OFAC’s website: www.treas.gov/ofac.

Directive 1. On July 16, 2014, OFAC issued “Directive 1 Pursuant to Executive Order 13662” (79 FR 63021, October 21, 2014) to further implement the determination by the Secretary of the Treasury, in consultation with the Secretary of State, that section 1(a)(i) of E.O. 13662 applies to the financial services sector of the Russian Federation Economy. On September 12, 2014, OFAC replaced “Directive 1 Pursuant to Executive Order 13662” with “Directive 1 (as Amended) Under Executive Order 13622” (79 FR 63021, October 21, 2014). Section 223(b) of CAATSA requires the Secretary of the Treasury to modify “Directive 1 (as Amended) Under Executive Order 13622,” or any successor directive, to ensure that the directive prohibits the conduct by United States persons or persons within the United States of all transactions in, provision of financing for, and other dealings in new debt of longer than 14

days maturity or new equity of persons determined to be subject to the directive, their property, or their interests in property. OFAC replaced “Directive 1 (as Amended) Under Executive Order 13622” with “Directive 1 (as Amended on September 29, 2017) Under Executive Order 13622” (Directive 1) on September 29, 2017 on OFAC’s website.

Directive 1 prohibits the following activities by a U.S. person or within the United States: (1) For new debt or new equity issued on or after July 16, 2014 and before September 12, 2014, all transactions in, provision of financing for, and other dealings in new debt of longer than 90 days maturity or new equity of persons determined to be subject to Directive 1 or any earlier version thereof, their property, or their interests in property; (2) For new debt or new equity issued on or after September 12, 2014 and before November 28, 2017, all transactions in, provision of financing for, and other dealings in new debt of longer than 30 days maturity or new equity of persons determined to be subject to Directive 1 or any earlier version thereof, their property, or their interests in property; and (3) For new debt or new equity issued on or after November 28, 2017, all transactions in, provision of financing for, and other dealings in new debt of longer than 14 days maturity or new equity of persons determined to be subject to Directive 1 or any earlier version thereof, their property, or their interests in property. Directive 1 also prohibits (1) Any transaction that evades or avoids, has the purpose of evading or avoiding, causes a violation of, or attempts to violate any of the prohibitions contained in the directive; and (2) Any conspiracy formed to violate any of the prohibitions in the directive.

Directive 2. On July 16, 2014, OFAC issued “Directive 2 Pursuant to Executive Order 13662” (79 FR 63021, October 21, 2014) to further implement the determination by the Secretary of the Treasury that section 1(a)(i) of E.O. 13662 applies to the energy sector of the Russian Federation economy. On September 12, 2014, OFAC replaced “Directive 2 Pursuant to Executive Order 13662” with “Directive 2 (as Amended) Under E.O. 13662” (79 FR 63021, October 21, 2014). Section 223(c) of CAATSA requires the Secretary of the Treasury to modify “Directive 2 (as Amended) Under E.O. 13662” or any successor directive to ensure that the directive prohibits the conduct by United States persons or persons within the United States of all transactions in, provision of financing for, and other

dealings in new debt of longer than 60 days maturity of persons determined to be subject to the directive, their property, or their interests in property. OFAC replaced “Directive 2 (as Amended) Under E.O. 13662” with “Directive 2 (as Amended on September 29, 2017) Under Executive Order 13662” (Directive 2) on September 29, 2017 on its website.

Directive 2 prohibits the following activities by a U.S. person or within the United States: (1) For new debt issued on or after July 16, 2014 and before November 28, 2017, all transactions in, provision of financing for, and other dealings in new debt of longer than 90 days maturity of persons determined to be subject to Directive 2 or any earlier version thereof, their property, or their interests in property; and (2) For new debt issued on or after November 28, 2017, all transactions in, provision of financing for, and other dealings in new debt of longer than 60 days maturity of persons determined to be subject to Directive 2 or any earlier version thereof, their property, or their interests in property. Directive 2 also prohibits (1) Any transaction that evades or avoids, has the purpose of evading or avoiding, causes a violation of, or attempts to violate any of the prohibitions contained in the directive; and (2) Any conspiracy formed to violate any of the prohibitions in the directive.

Directive 3. On September 12, 2014, OFAC issued “Directive 3 Under E.O. 13662” (79 FR 63021, October 21, 2014) (Directive 3) following the Secretary of the Treasury’s determination that section 1(a)(i) of E.O. 13662 applies to the defense and related materiel sector of the Russian Federation economy. Directive 3 prohibits all transactions in, provision of financing for, and other dealings in new debt of longer than 30 days maturity of persons determined to be subject to Directive 3, their property, or their interests in property. Directive 3 also prohibits: (1) Any transaction that evades or avoids, has the purpose of evading or avoiding, causes a violation of, or attempts to violate any of the prohibitions contained in Directive 3; and (2) Any conspiracy formed to violate any of the prohibitions in Directive 3.

Directive 4. On September 12, 2014, OFAC issued “Directive 4 Under Executive Order 13662” (79 FR 63021, October 21, 2014) to further implement the Secretary of the Treasury’s July 16, 2014 determination that section 1(a)(i) of E.O. 13662 applies to the energy sector of the Russian Federation economy. Section 223(d) of CAATSA requires the Secretary of the Treasury to

modify “Directive 4 Under Executive Order 13662” or any successor directive, to ensure that the directive prohibits the provision, exportation, or reexportation, directly or indirectly, by United States persons or persons within the United States, of goods, services (except for financial services), or technology in support of exploration or production for new deepwater, Arctic offshore, or shale projects that: (1) Have the potential to produce oil; and (2) Involve any person determined to be subject to the directive or the property or interests in property of such a person who has a controlling interest or a substantial noncontrolling ownership interest in such a project defined as not less than a 33 percent interest. OFAC replaced “Directive 4 Under Executive Order 13662” with “Directive 4 (as Amended on October 13, 2017) Under Executive Order 13662” (Directive 4) on October 31, 2017 on its website.

Directive 4 prohibits the following activities by a U.S. person or within the United States: The provision, exportation, or reexportation, directly or indirectly, of goods, services (except for financial services), or technology in support of exploration or production for deepwater, Arctic offshore, or shale projects: (1) That have the potential to produce oil in the Russian Federation, or in maritime area claimed by the Russian Federation and extending from its territory, and that involve any person determined to be subject to Directive 4 or any earlier version thereof, their property, or their interests in property; or (2) that are initiated on or after January 29, 2018, that have the potential to produce oil in any location, and in which any person determined to be subject to Directive 4 or any earlier version thereof, their property, or their interests in property has (a) a 33 percent or greater ownership interest, or (b) ownership of a majority of the voting interests. Additionally, Directive 4 prohibits: (1) Any transaction that evades or avoids, has the purpose of evading or avoiding, causes a violation of, or attempts to violate any of the prohibitions contained in the directive; and (2) Any conspiracy formed to violate any of the prohibitions in the directive.

Statutes

UFSA. UFSA was signed into law on December 18, 2014 and amended by CAATSA on August 2, 2017. Among other things, section 5 of UFSA requires the imposition of sanctions on any foreign financial institution that the President determines knowingly engages in significant transactions involving certain activities for persons

sanctioned pursuant to section 4 of UFSA or knowingly facilitated a significant financial transaction on behalf of any Russian person included on the list of Specially Designated Nationals and Blocked Persons (“SDN List”) maintained by OFAC, pursuant to UFSA, E.O.s 13660, 13661, or 13662, or any other Executive order addressing the crisis in Ukraine.

SSIDES. SSIDES was signed into law on April 3, 2014 and amended by CAATSA on August 2, 2017. SSIDES requires the President to block all property and interests in property that are in the United States, that come within the United States, or that are or come within the possession or control of any U.S. person of, persons who meet specific criteria, such as a current or former official of the Government of Ukraine that the President determines has perpetrated, or is responsible for ordering, controlling, or otherwise directing, significant acts of violence or gross human rights abuses in Ukraine against persons associated with the antigovernment protests in Ukraine that began on November 21, 2013.

CAATSA. CAATSA established new sanctions authorities and exceptions, in addition to amending, modifying, or otherwise affecting: The Ukraine-/Russia-related Executive Orders, E.O. 13694 of April 1, 2015, “Blocking the Property of Certain Persons Engaging in Significant Malicious Cyber-Enabled Activities” (80 FR 18077, April 2, 2015), and E.O. 13757 of December 28, 2016, “Taking Additional Steps to Address the National Emergency With Respect to Significant Malicious Cyber-Enabled Activities” (82 FR 1, January 3, 2017); Directives 1, 2, and 4; UFSA; and SSIDES. Section 236 of CAATSA establishes an exception from sanctions for activities subject to the reporting requirements under title V of the National Security Act of 1947 (50 U.S.C. 3091 *et seq.*), or any authorized intelligence activities of the United States, and section 237 of CAATSA establishes an exception from sanctions for activities of the National Aeronautics and Space Administration.

Title II of CAATSA also requires the imposition of sanctions with respect to, among others: Activities of the Russian Federation that undermine cybersecurity; persons who knowingly provide financial services in support of activities that undermine cybersecurity; persons who invest in or contribute to the ability of the Russian Federation to privatize state-owned assets in a manner that unjustly benefits officials of the Government of the Russian Federation; persons who engage in a significant transaction with a person that is part of,

or operates for or on behalf of, the defense or intelligence sectors of the Government of the Russian Federation; and persons who transfer arms and related materiel to Syria. OFAC anticipates incorporating these provisions of title II of CAATSA into the CFR at a later date.

Current Regulatory Action

Subpart A of the Regulations clarifies the relation of this part to other laws and regulations. Subpart B of the Regulations implements the prohibitions contained in section 1 of E.O. 13660, E.O. 13661, E.O. 13662, and sections 1 and 2 of E.O. 13685, as well as the prohibitions contained in any further Executive orders issued pursuant to the national emergency declared in E.O. 13660. *See, e.g.*, § 589.201. Additionally, subpart B implements section 5 of UFSA, sections 8 through 11 of SSIDES, and the prohibitions in Directives 1, 2, 3, and 4 issued pursuant to E.O. 13662.

The following persons are referred to throughout the Regulations as “persons whose property and interests in property are blocked pursuant to § 589.201”: Persons identified in the Annex to E.O. 13661; designated by or under the authority of the Secretary of the Treasury, in consultation with the Secretary of State, pursuant to the Ukraine-/Russia-related Executive Orders, or SSIDES; otherwise subject to the blocking provisions of the Ukraine-/Russia-related Executive Orders, or SSIDES; and persons who are blocked pursuant to any further Executive orders issued pursuant to the national emergency declared in E.O. 13660. The names of persons designated, or identified as blocked pursuant to, as applicable, the Ukraine-/Russia-related Executive Orders, or any further Executive orders issued pursuant to the national emergency declared in E.O. 13660, or SSIDES, are published on the SDN List, which is accessible via OFAC’s website. Those names also are published in the **Federal Register** as they are added to the SDN List.

Sections 589.202 through 589.205 of subpart B implement Directives 1 through 4, respectively. The names of persons identified as subject to Directive 1, 2, 3, or 4, which are implemented in §§ 589.202 through 589.205, are published on OFAC’s SSI List, which is accessible via OFAC’s website, and are published in the **Federal Register** along with the applicable Directive(s) as they are added to the SSI List. These persons are referred to throughout the Regulations as “persons subject to § 589.202, 589.203, 589.204 or 589.205.” Section 589.206 of subpart B prohibits

new investment in the Crimea region of Ukraine, § 589.207 details the prohibition on exportation, reexportation, sale or supply of goods or services to that region, and § 589.208 prohibits the importation of goods, services, and technology from that region.

Section 589.209 details prohibitions or strict conditions with respect to correspondent or payable-through accounts of foreign financial institutions that are determined to engage in significant transactions involving certain activities for persons with respect to which sanctions are imposed under section 4 of UFSA, or to have facilitated significant transactions on behalf of certain blocked persons. The names of foreign financial institutions for which the opening or maintaining of a correspondent account or a payable-through account in the United States is prohibited or subject to one or more strict conditions pursuant to § 589.209 will be added to the List of Foreign Financial Institutions Subject to Correspondent Account or Payable-Through Account Sanctions (CAPTA List) on OFAC’s website, and be published in the **Federal Register** along with the applicable prohibition or strict condition(s) as they are added to the CAPTA List.

Sections 589.210 and 589.211 of subpart B detail the effect of transfers of blocked property in violation of the Regulations and set forth the requirement to hold blocked funds, such as currency, bank deposits, or liquidated financial obligations, in interest-bearing blocked accounts. Section 589.212 of subpart B provides that all expenses incident to the maintenance of blocked tangible property shall be the responsibility of the owners and operators of such property, and that such expenses shall not be met from blocked funds, unless otherwise authorized. The section further provides that blocked property may, in OFAC’s discretion, be sold or liquidated and the net proceeds placed in a blocked interest-bearing account in the name of the owner of the property.

Section 589.213 of subpart B prohibits any transaction by a U.S. person or within the United States that evades or avoids, has the purpose of evading or avoiding, causes a violation, or attempts to violate any of the prohibitions set forth in subpart B of the Regulations, and any conspiracy formed to violate such prohibitions.

Section 589.214 of subpart B details transactions that are exempt from the prohibitions of the Regulations pursuant to: Section 203(b)(1) of IEEPA (50 U.S.C. 1702(b)(1)), which relates to personal

communications; section 236 of CAATSA, which relates to U.S. intelligence activities; section 237 of CAATSA, which relates to activities of the National Aeronautics and Space Administration; section 7 of E.O. 13685, which relates to activities for the official business of the United States Government; and sections 8(b)(3) and 9(b)(3) of SSIDES, which relate to the importation of goods. Section 589.215 details the prohibition on approving, financing, facilitating, or guaranteeing a transaction by a foreign person where the transaction would be prohibited by § 589.206, 589.207, or 589.208 if performed by a U.S. person or within the United States.

Subpart C of the Regulations defines key terms used throughout the Regulations. Thirty new sections are being added to define key terms used in the new regulatory prohibitions or elsewhere in the Regulations. The definition of Ukraine-related Executive orders, which was in § 589.310, is being removed from the Regulations because revisions to § 589.201 make it unnecessary. To keep the definitions in alphabetical order, the definitions that were in the prior abbreviated set of regulations are being renumbered. OFAC is adding a definition of shale projects at § 589.334 that expands the definition formerly on OFAC's website as Frequently Asked Question (FAQ) 418.

In subpart D, which contains interpretive sections regarding the Regulations, § 589.401 is being expanded, § 589.405 is being redesignated as § 589.410, and new §§ 589.405 through 589.409 are being added. Section 589.405 clarifies that the prohibitions contained in § 589.201 apply to certain services performed on behalf of, or performed by or at the direction of, any person whose property and interests in property are blocked pursuant to § 589.201. Section 589.406 has been redesignated as § 589.411 and updated to explain that the property and interests in property of an entity are blocked if the entity is directly or indirectly owned, whether individually or in the aggregate, 50 percent or more by one or more persons whose property and interests in property are blocked, whether or not the entity itself is incorporated into OFAC's SDN List. Additionally, OFAC is incorporating the following interpretations from its existing FAQs into the Regulations: § 589.411 clarifies that the interpretation set forth in § 589.411 applies to those included on OFAC's SSI List; new § 589.412 clarifies that, for the purposes of § 589.205(b), OFAC considers the aggregate ownership interest or majority

of voting rights held by one or more persons subject to § 589.205, their property, or their interests in property, including entities owned 50 percent or more by one or more persons subject to § 589.205; and new § 589.413 provides interpretive language about significant transactions or financial transactions. OFAC is also adding new § 589.414 to provide interpretive language about facilitation.

Transactions otherwise prohibited by the Regulations but found to be consistent with U.S. policy may be authorized by one of the general licenses contained in subpart E of the Regulations or by a specific license issued pursuant to the procedures described in subpart E of 31 CFR part 501. General licenses and statements of licensing policy relating to this part also may be available through the Ukraine-/Russia-Related Sanctions page on OFAC's website: www.treas.gov/ofac.

With this rule, OFAC is updating several existing general licenses in the Regulations. In the authorization for legal services in § 589.506, the authorization is being updated to include the provision of legal services to or on behalf of a person in the Crimea region of Ukraine, and authorization for the payment of professional fees or reimbursement of incurred expenses for authorized legal services to such persons is authorized as long as it does not involve the debiting of any blocked account or transfer of any blocked property. The note to § 589.506 is also being updated to include certain specific services. The authorization for payments for legal services in § 589.507 is being updated to remove the requirement that attorneys send OFAC a copy of their letter of engagement prior to receiving payment, and to permit email filing of reports. Section 589.508 is being amended to remove the requirement that payment for emergency medical services be specifically licensed.

Additionally, OFAC is incorporating six general licenses into the Regulations that were previously posted only on OFAC's website. New § 589.512 incorporates General License 1B, authorizing certain transactions related to derivatives prohibited by Directives 1, 2, and 3; General License 1B, which superseded prior versions of such general license, was issued on OFAC's website on November 28, 2017 and will be removed upon publication of this rule. New §§ 589.513 through 589.517 incorporate General Licenses 4, 6, 7, 8, and 9, respectively, which authorize with respect to the Crimea region of Ukraine: Exportation or reexportation of agricultural commodities, medicine,

medical supplies, and replacement parts; noncommercial, personal remittances; operation of accounts; transactions related to telecommunications and mail; and exportation of certain services and software incident to internet-based communications. General License 4 was issued on December 19, 2014, General Licenses 6, 7, and 8 were issued on January 30, 2015, and General License 9 was issued on May 22, 2015, each on OFAC's website; each of these general licenses will be removed upon publication of this rule.

OFAC is also incorporating seven new general licenses into the Regulations. New §§ 589.509, 589.510, and 589.511 incorporate general licenses authorizing certain transactions relating to investment and reinvestment of funds, official business of the U.S. government, and official business of certain international organizations and entities. New §§ 589.518, 589.519, and 589.520 authorize activities specific to the Crimea region of Ukraine: Transactions necessary and ordinarily incident to publishing, emergency landings and air ambulance services, and the export of certain services in support of nongovernmental organizations' activities. New § 589.521 authorizes transactions related to closing a correspondent or payable-through account. The addition of these general licenses to the Regulations do not represent a significant alteration of the United States' foreign policy with regard to the Russian Federation. Subpart F of the Regulations refers to subpart C of part 501 for recordkeeping and reporting requirements. Subpart G of the Regulations describes the civil and criminal penalties applicable to violations of the Regulations, as well as the procedures governing the potential imposition of a civil monetary penalty or issuance of a Finding of Violation. Subpart G also refers to appendix A of part 501 for a more complete description of these procedures. In Subpart G, § 589.701 reflects the 2022 civil monetary penalty increase as required by section 4 of the Federal Civil Penalties Inflation Adjustment Act (1990 Pub. L. 101-410, 104 Stat. 890; 28 U.S.C. 2461 note), as amended by the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015 (Pub. L. 114-74, 129 Stat. 599, 28 U.S.C. 2461 note).

Subpart H of the Regulations refers to subpart E of part 501 for applicable provisions relating to administrative procedures and contains a delegation of certain authorities of the Secretary of the Treasury. Subpart I of the

Regulations sets forth a Paperwork Reduction Act notice.

Public Participation

Because the Regulations involve a foreign affairs function, the provisions of E.O. 12866 of September 30, 1993, "Regulatory Planning and Review" (58 FR 51735, October 4, 1993), and the Administrative Procedure Act (5 U.S.C. 553) requiring notice of proposed rulemaking, opportunity for public participation, and delay in effective date are inapplicable. Because no notice of proposed rulemaking is required for this rule, the Regulatory Flexibility Act (5 U.S.C. 601–612) does not apply.

Paperwork Reduction Act

The collections of information related to the Regulations are contained in 31 CFR part 501 (the "Reporting, Procedures and Penalties Regulations"). Pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3507), those collections of information have been approved by the Office of Management and Budget under control number 1505–0164. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid control number.

No license or authorization contained in or issued pursuant to those other parts authorizes any transaction prohibited by this part. The SDN List is accessible through the following page on OFAC's website: www.treas.gov/sdn. Additional information pertaining to the SDN List can be found in appendix A to this chapter. name of, an entity or individual acting for or on behalf of, or owned or controlled by, such a person; or if made in an attempt to violate, to evade, or to avoid the bar on the provision of contributions by, to, or for the benefit of such a person, or the receipt of contributions from such a person.

Example 1 to § 589.412: If two entities that are each subject to § 589.205 each hold a 20 percent ownership interest in Project X, or together own a majority of the voting interests in Project X, then the prohibition in § 589.205(b) applies to Project X.

§ 589.413 Significant transaction(s); significant financial transaction(s).

In determining, for the purposes of §§ 589.201(a)(6)(vii) and 589.209, whether a transaction or a financial transaction is significant, the Secretary of the Treasury or the Secretary's designee will consider the totality of the facts and circumstances. As a general matter, some or all of the following factors may be considered:

L. 115–44, 131 Stat. 886 (codified in scattered sections of 22 U.S.C.)) (CAATSA), and any covered Executive order, or any child, spouse, parent, or sibling of such an individual.

(2) For the purposes of § 589.209(b), the proximity between the foreign

(g) *Other relevant factors.* Such other factors that the Secretary of the Treasury or the Secretary's designee deems relevant on a case-by-case basis in determining the significance of a transaction(s).

(h) *Persons solely identified on the Sectoral Sanctions Identifications List (SSI List) or Non-SDN Menu-Based Sanctions List (NS-MBS List).* For the purposes of § 589.201(a)(6)(vii) and § 589.209(b), a transaction in which the person(s) subject to sanctions is only identified on the SSI List or the NS-MBS List must also involve deceptive practices, for example attempts to obscure or conceal the actual parties or true nature of the transaction(s), or to evade sanctions, to potentially be considered significant.

(i) *Applicability.* For the purposes of this part, a transaction is not significant if U.S. persons would not require a specific license from OFAC to participate in it.

§ 589.414 Facilitation; change of policies and procedures; referral of business opportunities offshore.

With respect to § 589.215, a prohibited facilitation or approval of a transaction by a foreign person occurs, among other instances, when a U.S. person:

(b) Refers to a foreign person purchase orders, requests for bids, or similar business opportunities involving a transaction described in §§ 589.206 through 589.208 to which the U.S. person could not directly respond as a result of the prohibitions contained in this part; or

§ 589.502 Effect of license or other authorization.

(a) No license or other authorization contained in this part, or otherwise issued by OFAC, authorizes or validates any transaction effected prior to the issuance of such license or other authorization, unless specifically provided in such license or authorization.

(b) No regulation, ruling, instruction, or license authorizes any transaction prohibited under this part unless the regulation, ruling, instruction, or license is issued by OFAC and specifically refers to this part. No regulation, ruling, instruction, or license referring to this part shall be deemed to authorize any transaction prohibited by any other part of this chapter unless the regulation, ruling, instruction, or license specifically refers to such part.

(c) Any regulation, ruling, instruction, or license authorizing any transaction

prohibited under this part has the effect of removing a prohibition contained in this part from the transaction, but only to the extent specifically stated by its terms. Unless the regulation, ruling, instruction, or license otherwise specifies, such an authorization does not create any right, duty, obligation, claim, or interest in, or with respect to, any property that would not otherwise exist under ordinary principles of law.

(d) Nothing contained in this part shall be construed to supersede the requirements established under any other provision of law or to relieve a person from any requirement to obtain a license or other authorization from another department or agency of the U.S. Government in compliance with applicable laws and regulations subject to the jurisdiction of that department or agency. For example, exports of goods, services, or technical data that are not prohibited by this part or that do not require a license by OFAC nevertheless may require authorization by the U.S. Department of Commerce, the U.S. Department of State, or other agencies of the U.S. Government.

(e) No license or other authorization contained in or issued pursuant to this part authorizes transfers of or payments from blocked property or debits to blocked accounts unless the license or other authorization explicitly authorizes the transfer of or payment from blocked property or the debit to a blocked account.

(f) Any payment relating to a transaction authorized in or pursuant to this part that is routed through the U.S. financial system should reference the relevant OFAC general or specific license authorizing the payment to avoid the blocking or rejection of the transfer.

§ 589.503 Exclusion from licenses.

OFAC reserves the right to exclude any person, property, transaction, or class thereof from the operation of any license or from the privileges conferred by any license. OFAC also reserves the right to restrict the applicability of any license to particular persons, property, transactions, or classes thereof. Such actions are binding upon actual or constructive notice of the exclusions or restrictions.

§ 589.504 Payments and transfers to blocked accounts in U.S. financial institutions.

Any payment of funds or transfer of credit in which a person whose property and interests in property are blocked pursuant to § 589.201 has any interest that comes within the possession or control of a U.S. financial institution

must be blocked in an account on the books of that financial institution. A transfer of funds or credit by a U.S. financial institution between blocked accounts in its branches or offices is authorized, provided that no transfer is made from an account within the United States to an account held outside the United States, and further provided that a transfer from a blocked account may be made only to another blocked account held in the same name.

Note 1 to § 589.504. See § 501.603 of this chapter for mandatory reporting requirements regarding financial transfers. See also § 589.211 concerning the obligation to hold blocked funds in interest-bearing accounts.

§ 589.505 Entries in certain accounts for normal service charges.

(a) A U.S. financial institution is authorized to debit any blocked account held at that financial institution in payment or reimbursement for normal service charges owed it by the owner of that blocked account.

(b) As used in this section, the term *normal service charges* shall include charges in payment or reimbursement for interest due; cable, telegraph, internet, or telephone charges; postage costs; custody fees; small adjustment charges to correct bookkeeping errors; and, but not by way of limitation, minimum balance charges, notary and protest fees, and charges for reference books, photocopies, credit reports, transcripts of statements, registered mail, insurance, stationery and supplies, and other similar items.

§ 589.506 Provision of certain legal services.

(a) The provision of the following legal services to or on behalf of persons whose property and interests in property are blocked pursuant to § 589.201, or to whom the provision of legal services would be prohibited by § 589.207, is authorized, provided that any receipt of payment of professional fees and reimbursement of incurred expenses must be authorized pursuant to § 589.507, which authorizes certain payments for legal services from funds originating outside the United States; via specific license; or otherwise pursuant to this part:

(1) Provision of legal advice and counseling on the requirements of and compliance with the laws of the United States or any jurisdiction within the United States, provided that such advice and counseling are not provided to facilitate transactions in violation of this part;

(2) Representation of persons named as defendants in or otherwise made

parties to legal, arbitration, or administrative proceedings before any U.S. Federal, State, or local court or agency;

(3) Initiation and conduct of legal, arbitration, or administrative proceedings before any U.S. Federal, State, or local court or agency;

(4) Representation of persons before any U.S. Federal, State, or local court or agency with respect to the imposition, administration, or enforcement of U.S. sanctions against such persons or enforcement of U.S. sanctions against the Crimea region of Ukraine; and

(5) Provision of legal services in any other context in which prevailing U.S. law requires access to legal counsel at public expense.

(b) The provision of any other legal services to or on behalf of persons whose property and interests in property are blocked pursuant to § 589.201, or to whom the provision of legal services would be prohibited by § 589.207, not otherwise authorized in this part, requires the issuance of a specific license.

(c) U.S. persons do not need to obtain specific authorization to provide related services, such as making filings and providing other administrative services that are ordinarily incident to the provision of services authorized by paragraph (a) of this section. Additionally, U.S. persons who provide services authorized by paragraph (a) of this section do not need to obtain specific authorization to contract for related services that are ordinarily incident to the provision of those legal services, such as those provided by private investigators or expert witnesses, or to pay for such services. See § 589.404.

(d) Entry into a settlement agreement or the enforcement of any lien, judgment, arbitral award, decree, or other order through execution, garnishment, or other judicial process purporting to transfer or otherwise alter or affect property or interests in property blocked pursuant to § 589.201 is prohibited unless licensed pursuant to this part.

(e) All receipts of payment of professional fees and reimbursement of incurred expenses for the provision of legal services authorized pursuant to paragraph (a) of this section to or on behalf of a person in the Crimea region of Ukraine, or in circumstances in which the benefit is otherwise received in the Crimea region of Ukraine, other than those persons whose property and interest in property are blocked pursuant to § 589.201, are authorized, except that nothing in this section authorizes the debiting of any blocked

account or the transfer of any blocked property.

Note 1 to § 589.506. Pursuant to part 501, subpart E, of this chapter, U.S. persons seeking administrative reconsideration or judicial review of their designation or the blocking of their property and interests in property may apply for a specific license from OFAC to authorize the release of certain blocked funds for the payment of professional fees and reimbursement of incurred expenses for the provision of such legal services where alternative funding sources are not available.

§ 589.507 Payments for legal services from funds originating outside the United States.

(a) *Professional fees and incurred expenses.* (1) Receipt of payment of professional fees and reimbursement of incurred expenses for the provision of legal services authorized pursuant to § 589.506(a) to or on behalf of any person whose property and interests in property are blocked pursuant to § 589.201 is authorized from funds originating outside the United States, provided that the funds do not originate from:

(i) A source within the United States;

(ii) Any source, wherever located, within the possession or control of a U.S. person; or

(b) *Reports.* (1) U.S. persons who receive payments pursuant to paragraph (a) of this section must submit annual reports no later than 30 days following the end of the calendar year during which the payments were received providing information on the funds received. Such reports shall specify:

(i) The individual or entity from whom the funds originated and the amount of funds received; and

List of Foreign Financial Institutions Subject to Correspondent Account or Payable-Through Account Sanctions (CAPTA List), U.S. financial institutions that maintain correspondent accounts or payable-through accounts for the foreign financial institution are authorized to:

(1) Process only those transactions through the account, or permit the foreign financial institution to execute only those transactions through the account, that are for the purpose of, and necessary for, closing the account; and

(2) Transfer the funds remaining in the correspondent account or the payable-through account to an account of the foreign financial institution located outside of the United States and close the correspondent account or the payable-through account.

(b) A report must be filed with OFAC within 30 days of the closure of an account, providing full details on the closing of each correspondent account or payable-through account maintained by a U.S. financial institution for a foreign financial institution whose name is added to the CAPTA List. Such report must include complete information on the closing of the account and on all transactions processed or executed through the account pursuant to this section, including the account outside of the United States to which funds remaining in the account were transferred. The reports, which must reference this section, are to be submitted to OFAC using one of the following methods:

(1) *Email (preferred method):* OFACReport@treasury.gov; or

(2) *U.S. mail:* Attention: Office of Compliance and Enforcement, Office of Foreign Assets Control, U.S. Department of the Treasury, 1500 Pennsylvania Avenue NW, Freedman's Bank Building, Washington, DC 20220.

(c) Specific licenses may be issued on a case-by-case basis to authorize transactions outside the scope or time period authorized in paragraph (a) of this section by a U.S. financial institution with respect to a correspondent account or a payable-through account maintained by the U.S. financial institution for a foreign financial institution whose name is added to the CAPTA List. License applications should be filed in conformance with § 501.801 of the Reporting, Procedures and Penalties Regulations, 31 CFR part 501.

(d) Nothing in this section authorizes the opening of a correspondent account or a payable-through account for a foreign financial institution whose name appears on the CAPTA List.

Note 1 to § 589.521. This section does not authorize a U.S. financial institution to

unblock property or interests in property, or to engage in any transaction or dealing in property or interests in property, blocked pursuant to any other part of this chapter in the process of closing a correspondent account or a payable-through account for a foreign financial institution whose name has been added to the CAPTA List. See § 589.101.

Subpart F—Reports

§ 589.601 Records and reports.

For provisions relating to required records and reports, see part 501, subpart C, of this chapter. Recordkeeping and reporting requirements imposed by part 501 of this chapter with respect to the prohibitions contained in this part are considered requirements arising pursuant to this part.

Subpart G—Penalties and Findings of Violation

§ 589.701 Penalties.

(a) Section 206 of the International Emergency Economic Powers Act (50 U.S.C. 1705) (IEEPA) is applicable to violations of the provisions of any license, ruling, regulation, order, directive, or instruction issued by or pursuant to the direction or authorization of the Secretary of the Treasury pursuant to this part or otherwise under IEEPA.

(1) A civil penalty not to exceed the amount set forth in section 206 of IEEPA may be imposed on any person who violates, attempts to violate, conspires to violate, or causes a violation of any license, order, regulation, or prohibition issued under IEEPA.

(2) IEEPA provides for a maximum civil penalty not to exceed the greater of \$330,947 or an amount that is twice the amount of the transaction that is the basis of the violation with respect to which the penalty is imposed.

(3) A person who willfully commits, willfully attempts to commit, willfully conspires to commit, or aids or abets in the commission of a violation of any license, order, regulation, or prohibition may, upon conviction, be fined not more than \$1,000,000, or if a natural person, be imprisoned for not more than 20 years, or both.

(b)(1) The civil penalties provided in IEEPA are subject to adjustment pursuant to the Federal Civil Penalties Inflation Adjustment Act of 1990 (Pub. L. 101–410, as amended, 28 U.S.C. 2461 note).

(2) The criminal penalties provided in IEEPA are subject to adjustment pursuant to 18 U.S.C. 3571.

(c) Pursuant to 18 U.S.C. 1001, whoever, in any matter within the jurisdiction of the executive, legislative,

or judicial branch of the Government of the United States, knowingly and willfully falsifies, conceals, or covers up by any trick, scheme, or device a material fact; or makes any materially false, fictitious, or fraudulent statement or representation; or makes or uses any false writing or document knowing the same to contain any materially false, fictitious, or fraudulent statement or entry shall be fined under title 18, United States Code, imprisoned, or both.

(d) Violations of this part may also be subject to other applicable laws.

§ 589.702 Pre-Penalty Notice; settlement.

(a) *When required.* If OFAC has reason to believe that there has occurred a violation of any provision of this part or a violation of the provisions of any license, ruling, regulation, order, directive, or instruction issued by or pursuant to the direction or authorization of the Secretary of the Treasury pursuant to this part or otherwise under the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*) and determines that a civil monetary penalty is warranted, OFAC will issue a Pre-Penalty Notice informing the alleged violator of the agency's intent to impose a monetary penalty. A Pre-Penalty Notice shall be in writing. The Pre-Penalty Notice may be issued whether or not another agency has taken any action with respect to the matter. For a description of the contents of a Pre-Penalty Notice, see appendix A to part 501 of this chapter.

(b) *Response—(1) Right to respond.* An alleged violator has the right to respond to a Pre-Penalty Notice by making a written presentation to OFAC. For a description of the information that should be included in such a response, see appendix A to part 501 of this chapter.

(2) *Deadline for response.* A response to a Pre-Penalty Notice must be made within 30 days as set forth in paragraphs (b)(2)(i) and (ii) of this section. The failure to submit a response within 30 days shall be deemed to be a waiver of the right to respond.

(i) *Computation of time for response.* A response to a Pre-Penalty Notice must be postmarked or date-stamped by the U.S. Postal Service (or foreign postal service, if mailed abroad) or courier service provider (if transmitted to OFAC by courier), or dated if sent by email, on or before the 30th day after the postmark date on the envelope in which the Pre-Penalty Notice was mailed or date the Pre-Penalty Notice was emailed. If the Pre-Penalty Notice was personally delivered by a non-U.S. Postal Service agent authorized by OFAC, a response

must be postmarked or date-stamped on or before the 30th day after the date of delivery.

(ii) *Extensions of time for response.* If a due date falls on a Federal holiday or weekend, that due date is extended to include the following business day. Any other extensions of time will be granted, at the discretion of OFAC, only upon specific request to OFAC.

(3) *Form and method of response.* A response to a Pre-Penalty Notice need not be in any particular form, but it must be typewritten and signed by the alleged violator or a representative thereof (electronic signature is acceptable), contain information sufficient to indicate that it is in response to the Pre-Penalty Notice, and include the OFAC identification number listed on the Pre-Penalty Notice. The response must be sent to OFAC's Office of Compliance and Enforcement by mail or courier or email and must be postmarked or date-stamped in accordance with paragraph (b)(2) of this section.

(c) *Settlement.* Settlement discussion may be initiated by OFAC, the alleged violator, or the alleged violator's authorized representative. For a description of practices with respect to settlement, see appendix A to part 501 of this chapter.

(d) *Guidelines.* Guidelines for the imposition or settlement of civil penalties by OFAC are contained in appendix A to part 501 of this chapter.

(e) *Representation.* A representative of the alleged violator may act on behalf of the alleged violator, but any oral communication with OFAC prior to a written submission regarding the specific allegations contained in the Pre-Penalty Notice must be preceded by a written letter of representation, unless the Pre-Penalty Notice was served upon the alleged violator in care of the representative.

§ 589.703 Penalty imposition.

If, after considering any written response to the Pre-Penalty Notice and any relevant facts, OFAC determines that there was a violation by the alleged violator named in the Pre-Penalty Notice and that a civil monetary penalty is appropriate, OFAC may issue a Penalty Notice to the violator containing a determination of the violation and the imposition of the monetary penalty. For additional details concerning issuance of a Penalty Notice, see appendix A to part 501 of this chapter. The issuance of the Penalty Notice shall constitute final agency action. The violator has the right to seek judicial review of that final agency action in Federal district court.

§ 589.704 Administrative collection; referral to United States Department of Justice.

In the event that the violator does not pay the penalty imposed pursuant to this part or make payment arrangements acceptable to OFAC, the matter may be referred for administrative collection measures by the Department of the Treasury or to the United States Department of Justice for appropriate action to recover the penalty in a civil suit in a Federal district court.

§ 589.705 Findings of Violation.

(a) *When issued.* (1) OFAC may issue an initial Finding of Violation that identifies a violation if OFAC:

(i) Determines that there has occurred a violation of any provision of this part, or a violation of the provisions of any license, ruling, regulation, order, directive, or instruction issued by or pursuant to the direction or authorization of the Secretary of the Treasury pursuant to this part or otherwise under the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*);

(ii) Considers it important to document the occurrence of a violation; and

(iii) Based on the Guidelines contained in appendix A to part 501 of this chapter, concludes that an administrative response is warranted but that a civil monetary penalty is not the most appropriate response.

(2) An initial Finding of Violation shall be in writing and may be issued whether or not another agency has taken any action with respect to the matter. For additional details concerning issuance of a Finding of Violation, see appendix A to part 501 of this chapter.

(b) *Response*—(1) *Right to respond.* An alleged violator has the right to contest an initial Finding of Violation by providing a written response to OFAC.

(2) *Deadline for response; default determination.* A response to an initial Finding of Violation must be made within 30 days as set forth in paragraphs (b)(2)(i) and (ii) of this section. The failure to submit a response within 30 days shall be deemed to be a waiver of the right to respond, and the initial Finding of Violation will become final and will constitute final agency action. The violator has the right to seek judicial review of that final agency action in Federal district court.

(i) *Computation of time for response.* A response to an initial Finding of Violation must be postmarked or date-stamped by the U.S. Postal Service (or foreign postal service, if mailed abroad) or courier service provider (if

transmitted to OFAC by courier), or dated if sent by email, on or before the 30th day after the postmark date on the envelope in which the initial Finding of Violation was served or date the Finding of Violation was sent by email. If the initial Finding of Violation was personally delivered by a non-U.S. Postal Service agent authorized by OFAC, a response must be postmarked or date-stamped on or before the 30th day after the date of delivery.

(ii) *Extensions of time for response.* If a due date falls on a Federal holiday or weekend, that due date is extended to include the following business day. Any other extensions of time will be granted, at the discretion of OFAC, only upon specific request to OFAC.

(3) *Form and method of response.* A response to an initial Finding of Violation need not be in any particular form, but it must be typewritten and signed by the alleged violator or a representative thereof (electronic signature is acceptable), contain information sufficient to indicate that it is in response to the initial Finding of Violation, and include the OFAC identification number listed on the initial Finding of Violation. The response must be sent to OFAC's Office of Compliance and Enforcement by mail or courier or email and must be postmarked or date-stamped in accordance with paragraph (b)(2) of this section.

(4) *Information that should be included in response.* Any response should set forth in detail why the alleged violator either believes that a violation of the regulations did not occur and/or why a Finding of Violation is otherwise unwarranted under the circumstances, with reference to the General Factors Affecting Administrative Action set forth in the Guidelines contained in appendix A to part 501 of this chapter. The response should include all documentary or other evidence available to the alleged violator that supports the arguments set forth in the response. OFAC will consider all relevant materials submitted in the response.

(c) *Determination*—(1) *Determination that a Finding of Violation is warranted.* If, after considering the response, OFAC determines that a final Finding of Violation should be issued, OFAC will issue a final Finding of Violation that will inform the violator of its decision. A final Finding of Violation shall constitute final agency action. The violator has the right to seek judicial review of that final agency action in Federal district court.

(2) *Determination that a Finding of Violation is not warranted.* If, after

considering the response, OFAC determines a Finding of Violation is not warranted, then OFAC will inform the alleged violator of its decision not to issue a final Finding of Violation.

Note 1 to paragraph (c)(2). A determination by OFAC that a final Finding of Violation is not warranted does not preclude OFAC from pursuing other enforcement actions consistent with the Guidelines contained in appendix A to part 501 of this chapter.

(d) *Representation.* A representative of the alleged violator may act on behalf of the alleged violator, but any oral communication with OFAC prior to a written submission regarding the specific alleged violations contained in the initial Finding of Violation must be preceded by a written letter of representation, unless the initial Finding of Violation was served upon the alleged violator in care of the representative.

Subpart H—Procedures
