

which is incorporated by reference in 14 CFR 71.1 on an annual basis. This document amends the current version of that order, FAA Order JO 7400.11H, dated August 11, 2023, and effective September 15, 2023. FAA Order JO 7400.11H is publicly available as listed in the **ADDRESSES** section of this document. These amendments will be published in the next update to FAA Order JO 7400.11.

FAA Order JO 7400.11H lists Class A, B, C, D, and E airspace areas, air traffic service routes, and reporting points.

The Rule

This amendment to 14 CFR part 71: Modifies the Class D airspace to within a 4-mile (decreased from a 4.4-mile) radius of the Anderson Municipal Airport-Darlington Field, Anderson, IN; updates the name (previously Anderson Municipal Airport) of the airport to coincide with the FAA's aeronautical database; and updates the outdated terms "Notice to Airmen" and "Airport Facility/Directory" to "Notice to Air Missions" and "Chart Supplement";

And modifies the Class E airspace extending upward from 700 feet above the surface at Anderson Municipal Airport-Darlington Field by updating the name (previously Anderson Municipal Airport) to coincide with the FAA's aeronautical database.

Regulatory Notices and Analyses

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore: (1) is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that only affects air traffic procedures and air navigation, it is certified that this rule, when promulgated, does not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review

The FAA has determined that this action qualifies for categorical exclusion under the National Environmental Policy Act in accordance with FAA Order 1050.1F, "Environmental Impacts: Policies and Procedures," paragraph 5–6.5.a. This airspace action is not expected to cause any potentially significant environmental impacts, and

no extraordinary circumstances exist that warrant preparation of an environmental assessment.

Background

On March 11, 2022, the President, invoking the authority of, *inter alia*, the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*) (IEEPA), issued Executive Order (E.O.) 14068, "Prohibiting Certain Imports, Exports, and New Investment With Respect to Continued Russian Federation Aggression" (87 FR 14381, March 15, 2022). Among other prohibitions, E.O. 14068 section 1(a)(i) prohibits the importation into the United States of the following products of Russian Federation origin: fish, seafood, and preparations thereof; alcoholic beverages; non-industrial diamonds; and any other products of Russian Federation origin as may be determined by the Secretary of the Treasury, in consultation with the Secretary of State and the Secretary of Commerce.

On December 22, 2023, the President, invoking the authority of, *inter alia*, IEEPA, issued E.O. 14114, "Taking Additional Steps With Respect to the

Russian Federation's Harmful Activities" (88 FR 89271, December 26, 2023). Among other things, E.O. 14114 amends E.O. 14068 by striking paragraph (a)(i) of section 1 and inserting, in lieu thereof, new language in subsections (a)(i)(A) through (D).

Section 1(a)(i)(A) of E.O. 14068 as amended prohibits the importation and entry into the United States, including importation for admission into a foreign trade zone located in the United States, of the following products of Russian Federation origin: fish, seafood, and preparations thereof; alcoholic beverages; non-industrial diamonds; and any other products of Russian Federation origin, as may be determined by the Secretary of the Treasury, in consultation with the Secretary of State and the Secretary of Commerce.

Section 1(a)(i)(B) of E.O. 14068 as amended prohibits the importation and entry into the United States, including importation for admission into a foreign trade zone located in the United States, of categories of any of the specified products as may be determined by the Secretary of the Treasury, in consultation with the Secretary of State, the Secretary of Commerce, and the Secretary of Homeland Security, that were mined, extracted, produced, or manufactured wholly or in part in the Russian Federation, or harvested in waters under the jurisdiction of the Russian Federation or by Russia-flagged vessels, notwithstanding whether such products have been incorporated or substantially transformed into other products outside of the Russian Federation. The products subject to section 1(a)(i)(B) include fish, seafood, and preparations thereof; diamonds; and any other such products as may be determined by the Secretary of the Treasury, in consultation with the Secretary of State, the Secretary of Commerce, and the Secretary of Homeland Security.

Section 1(a)(i)(D) of E.O. 14068 as amended prohibits the importation and entry into the United States, including importation for admission into a foreign trade zone located in the United States, of products subject to the prohibitions of sections 1(a)(i)(A) through (C) of E.O. 14068 as amended that transited through or were exported from or by the Russian Federation, as may be determined by the Secretary of the Treasury, in consultation with the Secretary of State, the Secretary of Commerce, and the Secretary of Homeland Security.

Determination Pursuant to Section 1(a)(i)(B) of E.O. 14068

On February 8, 2024, pursuant to delegated authority, the Deputy Director of OFAC, in consultation with the Department of State, the Department of Commerce, and the Department of Homeland Security, issued "Determination Pursuant to Section 1(a)(i)(B) of Executive Order 14068", which determined that the prohibitions in section 1(a)(i)(B) of E.O. 14068 as amended shall apply to certain non-industrial diamonds that were mined, extracted, produced, or manufactured wholly or in part in the Russian Federation.

Determinations Pursuant to Sections 1(a)(i)(A) and 1(a)(i)(D) of E.O. 14068

Also on February 8, 2024, pursuant to delegated authority, the Deputy Director of OFAC issued "Determinations Pursuant to Sections 1(a)(i)(A) and 1(a)(i)(D) of Executive Order 14068" containing two determinations. First, pursuant to delegated authority, and in consultation with the Department of State and the Department of Commerce, the Deputy Director determined that the prohibitions in section 1(a)(i)(A) of E.O. 14068 as amended shall apply to diamond jewelry and unsorted diamonds of Russian Federation origin. Second, pursuant to delegated authority, and in consultation with the Department of State, the Department of Commerce, and the Department of Homeland Security, the Deputy Director determined the prohibitions described in section 1(a)(i)(D) of E.O. 14068 as amended shall apply to diamond jewelry and unsorted diamonds that were exported from the Russian Federation.

Each determination was made available on OFAC's website (<https://ofac.treasury.gov>) when it was issued. The text of these determinations is below.
