SUPPLEMENTARY INFORMATION:

I. Background

In the **Federal Register** of August 9, 2024 (89 FR 65294), FDA published the notice of availability for a draft guidance #293 entitled “FDA Enforcement Policy for AAFCO-Defined Animal Feed Ingredients,” giving interested persons until September 9, 2024, to comment on the draft guidance. FDA received numerous comments on the draft guidance, including comments from the animal food industry, AAFCO, a veterinary association, a State food and agriculture department, and private citizens, and those comments were considered as the guidance was finalized. The guidance was revised to provide clarification regarding where the referenced ingredient definitions are available to the public. In addition, editorial changes were made to improve clarity. The guidance announced in this document finalizes the draft guidance dated August 9, 2024.¹

This level 1 guidance is being issued consistent with FDA’s good guidance practices regulation (21 CFR 10.115). The guidance represents the current thinking of FDA on “FDA Enforcement Policy for AAFCO-Defined Animal Feed Ingredients.” It does not establish any rights for any person and is not binding on FDA or the public. You can use an alternative approach if it satisfies the requirements of the applicable statutes and regulations.
