Background

On May 1, 2026, the President, invoking the authority of, *inter alia*, the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*) (IEEPA), issued Executive Order (E.O.) 14404, “Imposing Sanctions on Those Responsible for Repression in Cuba and for Threats to United States National Security and Foreign Policy” (91 FR 25061, May 7, 2026).

In E.O. 14404, the President determined that the policies, practices, and actions of the Government of Cuba, as described in the national emergency declared in E.O. 14380, “Addressing Threats to the United States by the Government of Cuba” (91 FR 5085, February 3, 2026), continue to constitute an unusual and extraordinary threat to the national security and foreign policy of the United States and took further steps to address that threat.

OFAC is issuing the Cuba Sanctions Regulations, 31 CFR part 516 (the “Regulations”), to implement E.O. 14404, pursuant to authorities delegated to the Secretary of the Treasury in E.O. 14404. A copy of E.O. 14404 appears in appendix A to this part.

The Regulations are being published in abbreviated form at this time for the purpose of providing immediate guidance to the public. OFAC intends to supplement this part 516 with a more comprehensive set of regulations, which may include additional interpretive guidance and definitions, general licenses, and other regulatory provisions. The appendix to the Regulations will be removed when OFAC supplements this part with a more comprehensive set of regulations.

Public Participation

Because the Regulations involve a foreign affairs function, the provisions of E.O. 12866 of September 30, 1993, “Regulatory Planning and Review” (58 FR 51735, October 4, 1993), as amended, and the Administrative Procedure Act (5 U.S.C. 553) requiring notice of proposed rulemaking, opportunity for public participation, and delay in effective date, as well as the provisions of E.O. 14192 of January 31, 2025, “Unleashing Prosperity Through Deregulation” (90 FR 6065, February 6, 2025), and E.O. 14219 of February 19, 2025, “Ensuring Lawful Governance and Implementing the President’s ‘Department of Government Efficiency’ Deregulatory Initiative” (90 FR 10583, February 25, 2025), are inapplicable. Because no notice of proposed rulemaking is required for this rule, the Regulatory Flexibility Act (5 U.S.C. 601–612) does not apply.

Executive Order 14294

Section 5 of E.O. 14294 of May 9, 2025, “Fighting Overcriminalization in Federal Regulations” (90 FR 20363, May 14, 2025), directs that all future notices of proposed rulemaking (NPRMs) and final rules published in the **Federal Register**, the violation of which may constitute criminal regulatory offenses, should include a statement identifying that the rule or proposed rule is a criminal regulatory offense and the authorizing statute. E.O. 14294 directs agencies to draft this statement in consultation with the Department of Justice.

E.O. 14294 further directs that the regulatory text of all NPRMs and final rules with criminal consequences published in the **Federal Register** after May 9, 2025, should explicitly state a mens rea requirement for each element of a criminal regulatory offense, accompanied by citations to the relevant provisions of the authorizing statute.

Willful violations of the regulations set forth in this final rule may be subject to criminal penalties pursuant to 50 U.S.C. 1705 and regulations promulgated thereunder. The statutory authority for criminal liability requires a mens rea of willfulness as an element pursuant to 50 U.S.C. 1705(c). In drafting this statement, OFAC has consulted with the Department of Justice.

Paperwork Reduction Act

The collections of information related to the Regulations are contained in 31 CFR part 501 (the “Reporting, Procedures and Penalties Regulations”). Pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3507), those collections of information have been approved by the Office of Management and Budget under control number 1505-0164. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid control number.

Subpart A—General Provisions

§ 516.101 Relation of this part to other laws and regulations.

This part is separate from, and independent of, the other parts of this chapter, including part 515 of this chapter, with the exceptions of part 501 of this chapter, the recordkeeping and reporting requirements and license application and other procedures, and part 505 of this chapter, the penalties regulations, both of which apply to this part. Actions taken pursuant to part 501 or 505 of this chapter with respect to the prohibitions contained in this part are considered actions taken pursuant to this part. Differing foreign policy and national security circumstances may result in differing interpretations of similar language among the parts of this chapter. No license or authorization contained in or issued pursuant to those other parts authorizes any transaction prohibited by this part. No license or authorization contained in or issued pursuant to any other provision of law or regulation authorizes any transaction prohibited by this part. No license or authorization contained in or issued pursuant to this part relieves the involved parties from complying with any other applicable laws or regulations.

Note 1 to § 516.101: This part has been published in abbreviated form for the purpose of providing immediate guidance to the public. OFAC intends to supplement this part with a more comprehensive set of regulations, which may include additional interpretive guidance and definitions, general licenses, and other regulatory provisions.

§ 516.102 Records and reports.

For provisions relating to required records and reports, see part 501, subpart C, of this chapter. Recordkeeping and reporting requirements imposed by part 501 of this chapter with respect to the prohibitions contained in this part are considered requirements arising pursuant to this part.

§ 516.103 Procedures.

For license application procedures and procedures relating to amendments, modifications, or revocations of licenses; administrative decisions; rulemaking; and requests for documents pursuant to the Freedom of Information and Privacy Acts (5 U.S.C. 552 and 552a), see part 501, subpart E, of this chapter.

§ 516.104 Paperwork Reduction Act notice.

For approval by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3507) of information collections relating to recordkeeping and reporting requirements, licensing procedures, and other procedures, see § 501.901 of this chapter. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid control number assigned by OMB.

§ 516.105 Penalties and findings of violation.

(a) For provisions relating to penalties and findings of violation with respect to violations of the provisions of any regulation, ruling, instruction, order, directive, or license issued by or pursuant to the direction or authorization of the Secretary of the Treasury or the Secretary's delegate pursuant to this part, see part 505, subpart D, of this chapter.

(b) Violations of this part may also be subject to other applicable laws.

§ 516.106 Delegation of certain authorities of the Secretary of the Treasury.

Any action that the Secretary of the Treasury is authorized to take pursuant to E.O. 14404 of May 1, 2026, and any further Executive orders issued pursuant to the national emergency declared in E.O. 14380 of January 29, 2026, may be taken by the Director of OFAC or by any other person to whom the Secretary of the Treasury has delegated authority so to act.

Subpart B—Prohibitions

§ 516.201 Prohibited transactions.

All transactions prohibited pursuant to E.O. 14404 of May 1, 2026, or any further Executive orders issued pursuant to the national emergency declared in E.O. 14380 of January 29, 2026, are prohibited pursuant to this part.

Note 1 to § 516.201: The names of persons designated or identified as blocked pursuant to E.O. 14404, or any further Executive orders issued pursuant to the national emergency declared in E.O. 14380, whose property and interests in property therefore are blocked pursuant to this section, are published in the *Federal Register* and incorporated into OFAC’s Specially Designated Nationals and Blocked Persons List (SDN List) using the following identifier formulation: for E.O. 14404: “[CUBA-EO14404]”; and for any further Executive orders issued pursuant to the national emergency declared in E.O. 14380: “[CUBA-EO[E.O. number pursuant to which the person’s property and interests in property are blocked]].” The SDN List is accessible through the following page on OFAC’s website:

<https://sanctionslist.ofac.treas.gov/Home/SdnList>. Additional information pertaining to the SDN List can be found in appendix A to this chapter. See § 516.406 concerning entities that may not be listed on the SDN List but whose property and interests in property are nevertheless blocked pursuant to this section.

Note 2 to § 516.201: Section 203 of the International Emergency Economic Powers Act (50 U.S.C. 1702), authorizes the blocking of property and interests in property of a person during the pendency of an investigation. The names of persons whose property and interests in property

are blocked pending investigation pursuant to this section also are published in the *Federal Register* and incorporated into the SDN List using the following identifier formulation: “[BPI-CUBA-EO[E.O. number pursuant to which the person’s property and interests in property are blocked pending investigation]].”

Note 3 to § 516.201: The names of foreign financial institutions for which the opening or maintaining of a correspondent account or a payable-through account in the United States is prohibited or for which the maintenance of such accounts is subject to one or more strict conditions pursuant to section 4(b)(i) of E.O. 14404, or pursuant to any further Executive orders issued pursuant to the national emergency declared in E.O. 14380, will be added to the List of Foreign Financial Institutions Subject to Correspondent Account or Payable-Through Account Sanctions (CAPTA List) on OFAC’s website (<https://ofac.treasury.gov>), and published in the Federal Register along with the applicable prohibition(s) or condition(s).

Note 4 to § 516.201: In certain cases, OFAC may issue an order to: identify as blocked specific property or interests in property of a person designated or otherwise blocked pursuant to this section; block specific property or interests in property of a person pending investigation; or block or impose other prohibitions with respect to specific property or interests in property less than full blocking sanctions. Notice of such orders will be provided: by publication in the *Federal Register*; in writing to persons OFAC may assess to have an interest in the property; or by issuing an order or directive in writing to financial institutions or other transaction intermediaries, and requiring the recipient of the order or directive to promptly disclose it to affected persons with whom the recipient maintains direct commercial relationships. Inquiries regarding any such order should be directed to OFAC’s Compliance Division at <https://ofac.treasury.gov/contact-ofac>.

Note 5 to § 516.201: Subpart E of part 501 of this chapter describes the procedures to be followed for the release of property and interests in property blocked pursuant to this section, including funds blocked due to mistaken identity or typographical or similar errors, and for

administrative reconsideration of one's status as a person whose property and interests in property are blocked pursuant to this section.

§ 516.202 Effect of transfers violating the provisions of this part.

(a) Any transfer after the effective date that is in violation of any provision of this part or of any regulation, ruling, instruction, order, directive, or license issued pursuant to this part, and that involves any property or interest in property blocked pursuant to § 516.201, is null and void and shall not be the basis for the assertion or recognition of any interest in or right, remedy, power, or privilege with respect to such property or interest in property.

(b) No transfer before the effective date shall be the basis for the assertion or recognition of any right, remedy, power, or privilege with respect to, or any interest in, any property or interest in property blocked pursuant to § 516.201, unless the person who holds or maintains such property, prior to that date, had written notice of the transfer or by any written evidence had recognized such transfer.

(c) Unless otherwise provided, a license or other authorization issued by OFAC before, during, or after a transfer shall validate such transfer or make it enforceable to the same extent that it would be valid or enforceable but for the provisions of this part and any regulation, ruling, instruction, order, directive, or license issued pursuant to this part.

(d) Transfers of property that otherwise would be null and void or unenforceable by virtue of the provisions of this section shall not be deemed to be null and void or unenforceable as to any person with whom such property is or was held or maintained (and as to such person only) in cases in which such person is able to establish to the satisfaction of OFAC each of the following:

(1) Such transfer did not represent a willful violation of the provisions of this part by the person with whom such property is or was held or maintained (and as to such person only);

(2) The person with whom such property is or was held or maintained did not have reasonable cause to know or suspect, in view of all the facts and circumstances known or

available to such person, that such transfer required a license or authorization issued pursuant to this part and was not so licensed or authorized, or, if a license or authorization did purport to cover the transfer, that such license or authorization had been obtained by misrepresentation of a third party or withholding of material facts or was otherwise fraudulently obtained; and

(3) The person with whom such property is or was held or maintained filed with OFAC a report setting forth in full the circumstances relating to such transfer promptly upon discovery that:

(i) Such transfer was in violation of the provisions of this part or any regulation, ruling, instruction, order, directive, license, or other authorization issued pursuant to this part;

(ii) Such transfer was not licensed or authorized by OFAC; or

(iii) If a license did purport to cover the transfer, such license had been obtained by misrepresentation of a third party or withholding of material facts or was otherwise fraudulently obtained.

(e) The filing of a report in accordance with the provisions of paragraph (d)(3) of this section shall not be deemed evidence that the terms of paragraphs (d)(1) and (2) of this section have been satisfied.

(f) Unless licensed pursuant to this part, any attachment, judgment, decree, lien, execution, garnishment, or other judicial process is null and void with respect to any property or interest in property blocked pursuant to § 516.201.

§ 516.203 Holding of funds in interest-bearing accounts; investment and reinvestment.

(a) Except as provided in paragraph (e) or (f) of this section, or as otherwise directed or authorized by OFAC, any U.S. person holding funds, such as currency, bank deposits, or liquidated financial obligations, subject to § 516.201 shall hold or place such funds in a blocked interest-bearing account located in the United States.

(b)(1) For the purposes of this section, the term *blocked interest-bearing account* means a blocked account:

(i) In a federally insured U.S. bank, thrift institution, or credit union, provided the funds are earning interest at rates that are commercially reasonable; or

(ii) With a broker or dealer registered with the Securities and Exchange Commission under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*), provided the funds are invested in a money market fund or in U.S. Treasury bills.

(2) Funds held or placed in a blocked account pursuant to paragraph (a) of this section may not be invested in instruments the maturity of which exceeds 180 days.

(c) For the purposes of this section, a rate is commercially reasonable if it is the rate currently offered to other depositors on deposits or instruments of comparable size and maturity.

(d) For the purposes of this section, if interest is credited to a separate blocked account or subaccount, the name of the account party on each account must be the same.

(e) Blocked funds held in instruments the maturity of which exceeds 180 days at the time the funds become subject to § 516.201 may continue to be held until maturity in the original instrument, provided any interest, earnings, or other proceeds derived therefrom are paid into a blocked interest-bearing account in accordance with paragraph (a) or (f) of this section.

(f) Blocked funds held in accounts or instruments outside the United States at the time the funds become subject to § 516.201 may continue to be held in the same type of accounts or instruments, provided the funds earn interest at rates that are commercially reasonable.

(g) This section does not create an affirmative obligation for the holder of blocked tangible property, such as real or personal property, or of other blocked property, such as debt or equity securities, to sell or liquidate such property. However, OFAC may issue licenses permitting or directing such sales or liquidation in appropriate cases.

(h) Funds blocked pursuant to § 516.201 may not be held, invested, or reinvested in a manner that provides financial or economic benefit or access to any person whose property and interests in property are blocked pursuant to § 516.201, nor may their holder cooperate in or facilitate the pledging or other attempted use as collateral of blocked funds or other assets.

§ 516.204 Expenses of maintaining blocked tangible property; liquidation of blocked property.

(a) Except as otherwise authorized, and notwithstanding the existence of any rights or obligations conferred or imposed by any international agreement or contract entered into or any license or permit granted prior to the effective date, all expenses incident to the maintenance of tangible property blocked pursuant to § 516.201 shall be the responsibility of the owners or operators of such property, which expenses shall not be met from blocked funds.

(b) Property blocked pursuant to § 516.201 may, in the discretion of OFAC, be sold or liquidated and the net proceeds placed in a blocked interest-bearing account in the name of the owner of the property.

§ 516.205 Exempt transactions.

The prohibitions contained in this part do not apply to any transactions that are exempt pursuant to section 203(b) of the International Emergency Economic Powers Act (50 U.S.C. 1702(b)).

All penalties, forfeitures, and liabilities under any such regulation, ruling, instruction, order, directive, or license continue and may be enforced as if such amendment, modification, or revocation had not been made.

§ 516.403 Termination and acquisition of an interest in blocked property.

(a) Whenever a transaction licensed or authorized by or pursuant to this part results in the transfer of property (including any property interest) away from a person whose property and interests in property are blocked pursuant to § 516.201, such property shall no longer be deemed to be property blocked pursuant to § 516.201, unless there exists in the property another interest that is blocked pursuant to § 516.201, the transfer of which has not been effected pursuant to license or other authorization.

(b) Unless otherwise specifically provided in a license or authorization issued pursuant to this part, if property (including any property interest) is transferred or attempted to be transferred to a person whose property and interests in property are blocked pursuant to § 516.201, such property shall be deemed to be property in which such person has an interest and therefore blocked.

§ 516.404 Transactions ordinarily incident to a licensed transaction.

Any transaction ordinarily incident to a licensed transaction and necessary to give effect thereto is also authorized, except:

(a) An ordinarily incident transaction, not explicitly authorized within the terms of the license, by or with a person whose property and interests in property are blocked pursuant to § 516.201; or

(b) An ordinarily incident transaction, not explicitly authorized within the terms of the license, involving a debit to a blocked account or a transfer of blocked property.

§ 516.405 Setoffs prohibited.

A setoff against blocked property (including a blocked account), whether by a U.S. financial institution or other U.S. person, is a prohibited transfer under § 516.201 if effected after the effective date.

§ 516.406 Entities owned by one or more persons whose property and interests in property are blocked.

Persons whose property and interests in property are blocked pursuant to § 516.201 have an interest in all property and interests in property of an entity in which such persons directly or indirectly own, whether individually or in the aggregate, a 50 percent or greater interest. The property and interests in property of such an entity, therefore, are blocked, and such an entity is a person whose property and interests in property are blocked pursuant to § 516.201, regardless of whether the name of the entity is incorporated into OFAC's Specially Designated Nationals and Blocked Persons List (SDN List).

Subpart E—Licenses, Authorizations, and Statements of Licensing Policy

§ 516.501 General and specific licensing procedures.

For provisions relating to licensing procedures, see part 501, subpart E, of this chapter. Licensing actions taken pursuant to part 501 of this chapter with respect to the prohibitions contained in this part are considered actions taken pursuant to this part. General licenses and statements of licensing policy relating to this part also may be available through the Cuba sanctions page on OFAC's website: *<https://ofac.treasury.gov>*.

§ 516.502 Effect of license or other authorization.

(a) No license or other authorization contained in this part, or otherwise issued by OFAC, authorizes or validates any transaction effected prior to the issuance of such license or other authorization, unless specifically provided in such license or authorization.

(b) No regulation, ruling, instruction, order, directive, or license authorizes any transaction prohibited under this part unless the regulation, ruling, instruction, order, directive, or license is issued by OFAC and specifically refers to this part. No regulation, ruling, instruction, order, directive, or license referring to this part shall be deemed to authorize any transaction prohibited by any other part of this chapter unless the regulation, ruling, instruction, order, directive, or license specifically refers to such part.

(c) Any regulation, ruling, instruction, order, directive, or license authorizing any transaction prohibited under this part has the effect of removing a prohibition contained in this part from the transaction, but only to the extent specifically stated by its terms. Unless the regulation, ruling, instruction, order, directive, or license otherwise specifies, such an authorization does not create any right, duty, obligation, claim, or interest in, or with respect to, any property that would not otherwise exist under ordinary principles of law.

(d) Nothing contained in this part shall be construed to supersede the requirements established under any other provision of law or to relieve a person from any requirement to obtain a license or other authorization from another department or agency of the U.S. Government in

compliance with applicable laws and regulations subject to the jurisdiction of that department or agency. For example, exports of goods, services, or technical data that are not prohibited by this part or that do not require a license by OFAC nevertheless may require authorization by the U.S. Department of Commerce, the U.S. Department of State, or other agencies of the U.S. Government.

(e) No license or other authorization contained in or issued pursuant to this part authorizes transfers of or payments from blocked property or debits to blocked accounts unless the license or other authorization explicitly authorizes the transfer of or payment from blocked property or the debit to a blocked account.

(f) Any payment relating to a transaction authorized in or pursuant to this part that is routed through the U.S. financial system should reference the relevant OFAC general or specific license authorizing the payment to avoid the blocking or rejection of the transfer.

§ 516.503 Exclusion from licenses.

OFAC reserves the right to exclude any person, property, transaction, or class thereof from the operation of any license or from the privileges conferred by any license. OFAC also reserves the right to restrict the applicability of any license to particular persons, property, transactions, or classes thereof. Such actions are binding upon actual or constructive notice of the exclusions or restrictions.

§ 516.504 Payments and transfers to blocked accounts in U.S. financial institutions.

Any payment of funds or transfer of credit in which a person whose property and interests in property are blocked pursuant to § 516.201 has any interest that comes within the possession or control of a U.S. financial institution must be blocked in an account on the books of that financial institution. A transfer of funds or credit by a U.S. financial institution between blocked accounts in its branches or offices is authorized, provided that no transfer is made from an account within the United States to an account held outside the United States, and further

provided that a transfer from a blocked account may be made only to another blocked account held in the same name.

Note 1 to § 516.504: *See* § 501.603 of this chapter for mandatory reporting requirements regarding financial transfers. *See also* § 516.203 concerning the obligation to hold blocked funds in blocked interest-bearing accounts.

§ 516.505 Entries in certain accounts for normal service charges.

(a) A U.S. financial institution is authorized to debit any blocked account held at that financial institution in payment or reimbursement for normal service charges owed it by the owner of that blocked account.

(b) As used in this section, the term *normal service charges* shall include charges in payment or reimbursement for interest due; cable, telegraph, internet, or telephone charges; postage costs; custody fees; small adjustment charges to correct bookkeeping errors; and, but not by way of limitation, minimum balance charges, notary and protest fees, and charges for reference books, photocopies, credit reports, transcripts of statements, registered mail, insurance, stationery and supplies, and other similar items.

§ 516.506 Provision of certain legal services.

(a) The provision of the following legal services to or on behalf of persons whose property and interests in property are blocked pursuant to § 516.201 is authorized, provided that any receipt of payment of professional fees and reimbursement of incurred expenses must be authorized pursuant to § 516.507, which authorizes certain payments for legal services from funds originating outside the United States; via specific license; or otherwise pursuant to this part:

(1) Provision of legal advice and counseling on the requirements of and compliance with the laws of the United States or any jurisdiction within the United States, provided that such advice and counseling are not provided to facilitate transactions in violation of this part;

(2) Representation of persons named as defendants in or otherwise made parties to legal, arbitration, or administrative proceedings before any U.S. Federal, State, or local court or agency;

(3) Initiation and conduct of legal, arbitration, or administrative proceedings before any U.S. Federal, State, or local court or agency;

(4) Representation of persons before any U.S. Federal, State, or local court or agency with respect to the imposition, administration, or enforcement of U.S. sanctions against such persons; and

(5) Provision of legal services in any other context in which prevailing U.S. law requires access to legal counsel at public expense.

(b) The provision of any other legal services to or on behalf of persons whose property and interests in property are blocked pursuant to § 516.201, not otherwise authorized in this part, requires the issuance of a specific license.

(c) U.S. persons do not need to obtain specific authorization to provide related services, such as making filings and providing other administrative services, that are ordinarily incident to the provision of services authorized by paragraph (a) of this section. Additionally, U.S. persons who provide services authorized by paragraph (a) of this section do not need to obtain specific authorization to contract for related services that are ordinarily incident to the provision of those legal services, such as those provided by private investigators or expert witnesses, or to pay for such services. *See* § 516.404.

(d) Entry into a settlement agreement or the enforcement of any lien, judgment, arbitral award, decree, or other order through execution, garnishment, or other judicial process purporting to transfer or otherwise alter or affect property or interests in property blocked pursuant to § 516.201 is prohibited unless licensed pursuant to this part.

Note 1 to § 516.506: Pursuant to part 501, subpart E, of this chapter, U.S. persons seeking administrative reconsideration or judicial review of their designation or the blocking of

their property and interests in property may apply for a specific license from OFAC to authorize the release of certain blocked funds for the payment of professional fees and reimbursement of incurred expenses for the provision of such legal services where alternative funding sources are not available.

§ 516.507 Payments for legal services from funds originating outside the United States.

(a) *Professional fees and incurred expenses.* (1) Receipt of payment of professional fees and reimbursement of incurred expenses for the provision of legal services authorized pursuant to § 516.506(a) to or on behalf of any person whose property and interests in property are blocked pursuant to § 516.201 is authorized from funds originating outside the United States, provided that the funds do not originate from:

- (i) A source within the United States;
- (ii) Any source, wherever located, within the possession or control of a U.S. person; or
- (iii) Any individual or entity, other than the person on whose behalf the legal services authorized pursuant to § 516.506(a) are to be provided, whose property and interests in property are blocked pursuant to any part of this chapter or any Executive order or statute.

(2) Nothing in this paragraph (a) authorizes payments for legal services using funds in which any other person whose property and interests in property are blocked pursuant to § 516.201, any other part of this chapter, or any Executive order or statute has an interest.

(b) *Records.* Consistent with § 501.601 of this chapter, U.S. persons who receive payments pursuant to paragraph (a) of this section must retain for ten years from the date of the relevant payment a record that specifies the following for each payment:

- (1) The individual or entity from whom the funds originated and the amount of funds received; and
- (2) If applicable:

(i) The names of any individuals or entities providing related services to the U.S. person receiving payment in connection with authorized legal services, such as private investigators or expert witnesses;

(ii) A general description of the services provided; and

(iii) The amount of funds paid in connection with such services.

(3) These records must be furnished to OFAC on demand consistent with § 501.602 of this chapter.

§ 516.508 Emergency medical services.

The provision and receipt of nonscheduled emergency medical services that are prohibited by this part are authorized.

§ 516.509 Official business of the United States Government.

All transactions prohibited by this part that are for the conduct of the official business of the United States Government by employees, grantees, or contractors thereof are authorized.

§ 516.510 Official business of certain international organizations and entities.

All transactions prohibited by this part that are for the conduct of the official business of the following entities by employees, grantees, or contractors thereof are authorized:

(a) The United Nations, including its Programmes, Funds, and Other Entities and Bodies, as well as its Specialized Agencies and Related Organizations;

(b) The International Centre for Settlement of Investment Disputes (ICSID) and the Multilateral Investment Guarantee Agency (MIGA);

(c) The African Development Bank Group, the Asian Development Bank, the European Bank for Reconstruction and Development, and the Inter-American Development Bank Group (IDB Group), including any fund entity administered or established by any of the foregoing;

(d) The International Committee of the Red Cross and the International Federation of Red Cross and Red Crescent Societies; and

(e) The Global Fund to Fight AIDS, Tuberculosis, and Malaria, and Gavi, the Vaccine Alliance.

§ 516.511 Certain transactions in support of nongovernmental organizations' activities.

(a) Except as provided in paragraph (c) of this section, all transactions prohibited by this part that are ordinarily incident and necessary to the activities described in paragraph (b) of this section by a nongovernmental organization are authorized, provided that the nongovernmental organization is not a person whose property or interests in property are blocked pursuant to this part.

(b) The activities referenced in paragraph (a) of this section are non-commercial activities designed to directly benefit the civilian population that fall into one of the following categories:

(1) Activities to support humanitarian projects to meet basic human needs, including disaster, drought, or flood relief; food, nutrition, or medicine distribution; the provision of health services; assistance for vulnerable or displaced populations, including individuals with disabilities and the elderly; and environmental programs;

(2) Activities to support democracy building, including activities to support rule of law, citizen participation, government accountability and transparency, human rights and fundamental freedoms, access to information, and civil society development projects;

(3) Activities to support education, including combating illiteracy, increasing access to education, international exchanges, and assisting education reform projects;

(4) Activities to support non-commercial development projects directly benefiting civilians, including those related to health, food security, and water and sanitation;

(5) Activities to support environmental and natural resource protection, including the preservation and protection of threatened or endangered species, responsible and transparent management of natural resources, and the remediation of pollution or other environmental damage; and

(6) Activities to support disarmament, demobilization, and reintegration (DDR) programs and peacebuilding, conflict prevention, and conflict resolution programs.

(c) This section does not authorize funds transfers initiated or processed with knowledge or reason to know that the intended beneficiary of such transfers is a person blocked pursuant to this part, other than for the purpose of effecting the payment of taxes, fees, or import duties, or the purchase or receipt of permits, licenses, or public utility services.

(d) Specific licenses may be issued on a case-by-case basis to authorize nongovernmental or other entities to engage in other activities designed to directly benefit the civilian population, including support for the removal of landmines and economic development projects directly benefiting the civilian population.

Note 1 to § 516.511: This section does not relieve any person authorized thereunder from complying with any other applicable laws or regulations.

§ 516.512 Transactions related to the provision of agricultural commodities, medicine, medical devices, replacement parts and components, or software updates for personal, non-commercial use.

(a) All transactions prohibited by this part that are related to the provision, directly or indirectly, of agricultural commodities, medicine, medical devices, replacement parts and components for medical devices, or software updates for medical devices to an individual whose property and interests in property are blocked pursuant to this part are authorized, provided the items are in quantities consistent with personal, non-commercial use.

(b) For the purposes of this section, *agricultural commodities*, *medicine*, and *medical devices* are defined as follows:

(1) *Agricultural commodities.* For the purposes of this section, *agricultural commodities* are:

(i) Products that fall within the term “agricultural commodity” as defined in section 102 of the Agricultural Trade Act of 1978 (7 U.S.C. 5602); and

(ii) That are intended for ultimate use as:

(A) Food for humans (including raw, processed, and packaged foods; live animals; vitamins and minerals; food additives or supplements; and bottled drinking water) or animals (including animal feeds);

(B) Seeds for food crops;

(C) Fertilizers or organic fertilizers; or

(D) Reproductive materials (such as live animals, fertilized eggs, embryos, and semen) for the production of food animals.

(2) *Medicine*. For the purposes of this section, *medicine* is an item that falls within the definition of the term “drug” in section 201 of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 321).

(3) *Medical devices*. For the purposes of this section, a *medical device* is an item that falls within the definition of “device” in section 201 of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 321).

Note 1 to § 516.512: This section does not relieve any person authorized thereunder from complying with any other applicable laws or regulations.

§ 516.513 Transactions related to closing a correspondent account or payable-through account.

(a) During the 10-day period beginning on the effective date of the prohibition in section 4(b)(i) of E.O. 14404, or the imposition of any such prohibition pursuant to any further Executive order issued pursuant to the national emergency declared in E.O. 14380, on the maintaining of a correspondent account or a payable-through account for a foreign financial institution whose name is added to the List of Foreign Financial Institutions Subject to Correspondent Account or Payable-Through Account Sanctions (CAPTA List), which is maintained on the Office of Foreign Assets Control's website (<https://ofac.treasury.gov>),

U.S. financial institutions that maintain correspondent accounts or payable-through accounts for the foreign financial institution are authorized to:

(1) Process only those transactions through the account, or permit the foreign financial institution to execute only those transactions through the account, that are for the purpose of, and necessary for, closing the account; and

(2) Transfer the funds remaining in the correspondent account or the payable-through account to an account of the foreign financial institution located outside of the United States and close the correspondent account or the payable-through account.

(b) A report must be filed with the Office of Foreign Assets Control within 30 days of the closure of an account, providing full details on the closing of each correspondent account or payable-through account maintained by a U.S. financial institution for a foreign financial institution whose name is added to the CAPTA List, maintained on the Office of Foreign Assets Control's Web site (<https://ofac.treasury.gov>). Such report must include complete information on the closing of the account and on all transactions processed or executed through the account pursuant to this section, including the account outside of the United States to which funds remaining in the account were transferred. Reports should be submitted to *OFACReport@treasury.gov*.

(c) Specific licenses may be issued on a case-by-case basis to authorize transactions by a U.S. financial institution with respect to a correspondent account or a payable-through account maintained by the U.S. financial institution for a foreign financial institution whose name is added to the CAPTA List, that are outside the scope of the transactions authorized in paragraph (a) of this section and/or that occur beyond the 10-day period authorized in paragraph (a) of this section. License applications should be filed in conformance with § 501.801 of this chapter.

(d) Nothing in this section authorizes the opening of a correspondent account or a payable-through account for a foreign financial institution whose name appears on the CAPTA List.

Appendix A to Part 516—E.O. 14404 of May 1, 2026

**IMPOSING SANCTIONS ON THOSE RESPONSIBLE FOR REPRESSION IN CUBA
AND FOR THREATS TO UNITED STATES NATIONAL SECURITY AND FOREIGN
POLICY**

By the authority vested in me as President by the Constitution and the laws of the United States of America, including the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*) (IEEPA), the National Emergencies Act (50 U.S.C. 1601 *et seq.*) (NEA), section 212(f) of the Immigration and Nationality Act of 1952 (8 U.S.C. 1182(f)), and section 301 of title 3, United States Code, and in order to take further steps with respect to the national emergency declared in Executive Order 14380 of January 29, 2026 (Addressing Threats to the United States by the Government of Cuba), I hereby determine and order:

Section 1. Policy.

The policies, practices, and actions of the Government of Cuba, as described in Executive Order 14380, continue to constitute an unusual and extraordinary threat, which has its source in whole or substantial part outside the United States, to the national security and foreign policy of the United States. Not only are these policies, practices, and actions designed to harm the United

States, but they are also repugnant to the moral and political values of free and democratic societies.

Sec. 2. Sanctionable Conduct.

(a) All property and interests in property that are in the United States, that hereafter come within the United States, or that are or hereafter come within the possession or control of any United States persons of the following persons are blocked and may not be transferred, paid, exported, withdrawn, or otherwise dealt in:

(i) any foreign person determined by the Secretary of State, in consultation with the Secretary of the Treasury; or by the Secretary of the Treasury, in consultation with the Secretary of State:

(A) to operate in or have operated in the energy, defense and related materiel, metals and mining, financial services, or security sector of the Cuban economy, or any other sector of the Cuban economy, as may be determined by the Secretary of the Treasury, in consultation with the Secretary of State;

(B) to be owned, controlled, or directed by, or to have acted or purported to act for or on behalf of, directly or indirectly, the Government of Cuba or any person whose property or interests in property are blocked pursuant to this order;

(C) to own or control, directly or indirectly, any person whose property or interests in property are blocked pursuant to this order;

(D) to have materially assisted, sponsored, or provided financial, material, or technological support for, or goods or services to or in support of, the Government of Cuba or any person whose property or interests in property are blocked pursuant to this order;

(E) to be or have been a leader, official, senior executive officer, or member of the board of directors of the Government of Cuba or an entity whose property or interests in property are blocked pursuant to this order;

(F) to be a political subdivision, agency, or instrumentality of the Government of Cuba;

(G) to be responsible for or complicit in, or to have directly or indirectly engaged in or attempted to engage in, serious human rights abuse in Cuba;

(H) to be responsible for or complicit in, or to have directly or indirectly engaged or attempted to engage in, corruption related to Cuba, including corruption by, on behalf of, or otherwise related to the Government of Cuba, or a current or former official at any level of the Government of Cuba, such as the misappropriation of public assets, expropriation of private assets for personal gain or political purposes, or bribery; or

(I) to be an adult family member of a person designated pursuant to this order.

(b) The prohibitions in subsection (a) of this section apply except to the extent provided by statutes, or in regulations, orders, directives, or licenses that are issued pursuant to this order, and notwithstanding any contract entered into or any license or permit granted prior to the date of this order; except that this subsection shall not apply to activities authorized by, and shall not affect the validity of, any license issued pursuant to part 515 of chapter 31 of the Code of Federal Regulations.

(c) Except to the extent required by section 203(b) of IEEPA (50 U.S.C. 1702(b)), or provided in regulations, orders, directives, or licenses that are issued pursuant to this order, and notwithstanding any contract entered into or any license or permit granted prior to the date of this order:

(i) any transaction or dealing by United States persons or within the United States in property or interests in property blocked pursuant to this order is prohibited, including but not limited to the making or receiving of any contribution of funds, goods, or services to or for the benefit of those persons whose property or interests in property are blocked pursuant to this order;

(ii) any transaction by any United States person or within the United States that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in this order is prohibited; and

(iii) any conspiracy formed to violate any of the prohibitions set forth in this order is prohibited.

(d) I hereby determine that the making of donations of the type specified in section 203(b)(2) of IEEPA (50 U.S.C. 1702(b)(2)) by United States persons to persons determined to be subject to subsection (a) of this section would seriously impair my ability to deal with the national emergency declared in Executive Order 14380, and I hereby prohibit such donations.

(e) For those persons determined to be subject to subsection (a) of this section who might have a constitutional presence in the United States, I find that, because of the ability to transfer funds or assets instantaneously, prior notice to such persons of measures to be taken pursuant to this order would render these measures ineffectual. I therefore determine that, for these measures to be effective in addressing the national emergency declared in Executive Order 14380, there need be no prior notice of a listing or determination made pursuant to subsection (a) of this section.

Sec. 3. Travel.

(a) I hereby find the unrestricted immigrant and nonimmigrant entry into the United States of aliens determined to meet one or more of the criteria in section 2(a)(i) of this order would be detrimental to the interests of the United States, and I hereby suspend entry into the United States, as immigrants or nonimmigrants, of such persons, except where the Secretary of State, or the Secretary of State's designee, determines that the person's entry is in the national interest of the United States. Such persons shall be treated in the same manner as persons covered by section 1 of Proclamation 8693 of July 24, 2011 (Suspension of Entry of Aliens Subject to United Nations Security Council Travel Bans and International Emergency Economic Powers Act Sanctions).

Sec. 4. Foreign Financial Institutions.

(a) The Secretary of the Treasury, in consultation with the Secretary of State, is hereby authorized to impose on a foreign financial institution one or more of the sanctions described in subsection (b) of this section upon determining that the foreign financial institution has conducted or facilitated any significant transaction or transactions for or on behalf of any person whose property or interests in property are blocked pursuant to this order.

(b) With respect to any foreign financial institution determined to meet the criteria set forth in subsection (a) of this section, the Secretary of the Treasury, in consultation with the Secretary of State, may:

(i) prohibit the opening of, or prohibit or impose strict conditions on the maintenance of, correspondent accounts or payable-through accounts in the United States; and

(ii) block all property and interests in property that are in the United States, that hereafter come within the United States, or that are or hereafter come within the possession or control of any United States person of such foreign financial institution, and provide that such property and interests in property may not be transferred, paid, exported, withdrawn, or otherwise dealt in. The prohibitions described in this subsection shall include the making of any contribution or provision of funds, goods, or services by, to, or for the benefit of any person whose property or interests in property are blocked pursuant to this subsection; and the receipt of any contribution or provision of funds, goods, or services from any such person.

(c) The sanctions described in subsection (b) of this section apply except to the extent provided by statutes, or in regulations, orders, directives, or licenses that may be issued pursuant to this order, and notwithstanding any contract entered into or any license or permit granted before the date of this order; except that this subsection shall not apply to activities authorized by, and shall not affect the validity of, any license issued pursuant to part 515 of chapter 31 of the Code of Federal Regulations.

(d) I hereby determine that the making of donations of the types of articles specified in section 203(b)(2) of IEEPA (50 U.S.C. 1702(b)(2)) by, to, or for the benefit of any person whose

property or interests in property are blocked pursuant to subsection (b) of this section would seriously impair my ability to deal with the national emergency declared in Executive Order 14380, and I hereby prohibit such donations.

Sec. 5. Delegation.

Consistent with applicable law, the Secretary of State and the Secretary of the Treasury are directed and authorized to take all actions necessary to implement and effectuate this order — including through temporary suspension or amendment of regulations or through notices in the *Federal Register* and by adopting rules, regulations, or guidance — and to employ all powers granted to the President, including by IEEPA, as may be necessary to implement this order. The head of each executive department and agency (agency) is authorized to and shall take all appropriate measures within the agency’s authority to implement this order. The head of each agency may, consistent with applicable law, including section 301 of title 3, United States Code, redelegate the authority to take such appropriate measures within the agency.

Sec. 6. Reporting Directives.

The Secretary of the Treasury, in consultation with the Secretary of State, is hereby authorized and directed to submit recurring and final reports to the Congress on the national emergency declared in, and authorities exercised by, Executive Order 14380, consistent with section 401 of the NEA (50 U.S.C. 1641) and section 204(c) of IEEPA (50 U.S.C. 1703(c)).

Sec. 7. Definitions.

The term does not include the international financial institutions identified in 22 U.S.C. 262r(c)(2), the International Fund for Agricultural Development, the North American Development Bank, or any other international financial institution so notified by the Office of Foreign Assets Control.

Sec. 8. General Provisions.

(a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.
